

Industry, Depot studies by Resource group

By HARRY BARNES
Press-Record Staff Writer

An eight-point, city-betterment program—spearheaded by accomplishment of the downtown mall project—has been initiated by Granite City's newly-appointed Community Resources Commission.

The program, which also calls for construction of an overpass connecting West Granite City and the downtown area and

development of industrial parks both within the city and in its outlying areas, was announced by Carl Mathias, chairman of the commission, and Mayor Paul Schuler, following a meeting of the commission last week.

The program includes:

1. Full development of the downtown mall concept and its eventual accomplishment.
2. Development of city government policies to be followed in future annexations

and in industrial development.

A phase of this program will hinge on results of a study now being made by the Southwestern Illinois Metropolitan Area Planning Commission of Granite City and other municipalities in Madison County.

3. To work out a tentative agreement between officials of Granite City, Madison and Venice on a division of property that will be sought for

acquisition at the Granite City Army Installation when and if it becomes available to the cities as surplus government property.

4. Construction of an overpass linking West Granite City with the downtown area, and completion of the construction of Federal A-101 (The Great River Road) from Niedringhaus Avenue to Venice.
5. Establishment of knowledgeable liaison between

the commission and government agencies to procure close contacts and information concerning disposition of Granite City Army Installation property.

6. Industrial park development in Granite City and the Quad-City area, encouraged by provisions for furnishing utilities, railroads, sewers and financial arrangements.
7. Concerted efforts to attract

a new industry to replace General Steel Industries when it closes out operations, probably the latter part of this year.

8. Community pride development accomplished through an intense public relations program, distribution of brochures and other means.

The Community Resources Commission was set up by Mayor Schuler last June to improve the economic climate of the area.

Commission members, in addition to Mathias who is service manager of the Illinois Power Co., are Nicholas Veder, chairman of the board of Granite City Steel Co.; Weldon Burch, president of Local 67 of the United Steelworkers of America; Carl Ranft, manager of the Tri-City Regional Port Authority.

Henry Karandjoff, chairman of the board of the Granite City Trust and Savings Bank; Paul

Lichtenberger, chairman of the board of the First Granite City National Bank; Chester Baker, president of the Tri-Cities Chamber of Commerce.

Lance Callis, Granite City attorney; Avery Schermer, operator of Schermer's Market; Von Dee Cruse, Granite City Township assessor; and Arthur Griffin, business agent of the Laborers' Union.

WEATHER OUTLOOK

Increasing cloudiness today with chance of rain or thunderstorms. High today 80 to 85. Rain likely tonight and Tuesday. High 65 to 70. High Wednesday 80 to 85. Cooler Thursday. Chance of rain Wednesday. High 65 to 70 and low in the 50s.

United Way to begin; reports are promising

The annual United Way campaign is set to begin tomorrow, and reports from pilot phases of the drive are highly encouraging, officials of the 18-agency organization said today.

Advance solicitation at some industrial firms here and at some out-of-town businesses is described as proving more successful than a year ago.

"Most people recognize that it's a new ball game this year—that a totally new approach to

United Way giving is essential in order for the member agencies to have adequate operating funds," a drive spokesman commented. Fair share gifts are being suggested.

While the early reports are promising, adherence to procedures outlined in training sessions last month and this month will be necessary in order for the minimum goal of \$400,000 to be reached, it was emphasized.

The givers and the solicitors

within each company and agency and organization hold the key to success or failure of the campaign," the spokesman concluded.

The kickoff dinner will take place at the Granite City High School-South cafeteria tomorrow, with serving of a school smorgasbord scheduled to begin promptly at 6:30 p.m.

Paul Simon, Springfield university professor and the 1962-72 Illinois lieutenant governor, will speak.

Paul H. Kelly, A. O. Smith

Corp. plant manager, is president of the Tri-Cities Area United Way.

William F. Winter, editor of the Press-Record, is general chairman of the campaign and vice-chairman is George Pularinos, a Granite City Steel Co. vice-president.

Division chairmen include Mayor Paul Schuler, Avery Schermer, Clyde Boyd, Harold R. Fischer, Ernest A. Karandjoff, Sister Mary Thomas, Mrs. Joyce Schrader, George Weiss and W. F. Strange.

UNITED WAY CAMPAIGN will begin tomorrow at noon with the sounding of sirens and whistles. The kickoff dinner is at 6:30 p.m. Tuesday in the Burns Cafeteria, 1215 Nineteenth St. (Press Record Photo)

2nd Madison Jr. High is proposed

By GARY SCHNEIDER
Press-Record Staff Writer

The possibility of constructing a second junior high school in Madison was discussed by the Madison Board of Education at its regular meeting Thursday night.

John Palchiff, superintendent of schools, introduced the proposal, saying, "I think it is time we give very serious consideration to building a new junior high school. We are going into the split-shift schedule at the junior high for the second year."

"I do not know if it will be approved by Mr. Trimpe (Wilbur R. L. Trimpe, superintendent of the educational service region) again next year."

Palchiff said he has received information on five capital assistance bills for school districts which will provide \$400,000,000 to school districts in the state for capital improvements.

He presented a letter from Michael J. Bakalis, superintendent of the state Office of the Superintendent of Public Instruction (OSPI) specifying that \$300,000,000 of the money be used "for grants to school districts for the acquisition, development, architectural planning and installation of capital facilities consisting of buildings, structures, durable equipment, and land for educational purposes."

The other \$100,000,000, according to the letter, is to be

used "for grants to school districts for the making of principal and interest payments required to be made on bonds issued by a district after Jan. 1, 1968, and prior to the effective date of the act."

The district has a high priority for the grant based upon enrollment, assessed valuation, debt and other factors, he said.

"The OSPI has set up an index for each school district on a scale from 20 to 70. Ours, I believe, is 67, one of the very highest in the state. We would be a good buy in line to get one of these grants," Palchiff explained.

The superintendent said detailed guidelines for applying for the grants are expected about Oct. 1. The board authorized him to continue to seek means for financing a new junior high school.

"The money will not be issued until after Jan. 1, 1974, and there is a good chance for our district to get some of these grant funds. A building program would require voter approval if the grant did not pay 100 per cent of the construction costs. We will know next month."

"The bills call for \$100,000,000 to be distributed each year over the next four years. If we miss it one year, we can try for the next year," he added.

Madison school levy down

A tax levy of \$628,653 for the Madison Schools, to be collected in 1974, was approved Thursday night by the Madison Board of Education. The levy will be raised by an estimated tax rate of \$2.90 per \$100 assessed valuation.

The levy is down from \$677,235 extended this year on a rate of \$2.924. Because 1973 assessment figures were not available, the tax rate was estimated on the basis of the 1972 school district assessed valuation of \$28,628,500.

The new levy and estimated rate for each fund: educational fund—\$458,232, rate 1.60; building fund—\$107,358, rate .375; bond and interest fund—\$127,675, rate .45; retirement fund—\$51,000, rate .18; transportation fund—\$21,628, rate .115; junior college fund—\$25,000, rate .09; fire prevention and safety—\$14,328, rate .05, and special education—\$11,400, rate .04.

The board approved a \$2,845,121 budget for the 1973-74 school year, up slightly from the \$2,843,602 budget which was posted for public inspection a month ago.

The only change is the addition of \$1,518 in interest received on special education funds to the tentative \$45,500 total. The board transferred the \$50,655 special education fund total into the

State College Board assailed

"The state Junior College Board apparently is trying to deal us quite a blow and steer us into the Lewis & Clark community college rather than letting us establish our own junior college district," John Palchiff, superintendent of the Madison public schools, told the Madison Board of Education Thursday night.

Palchiff reported to the board on a meeting held last week by a junior college study group formed by the Chamber of Commerce of the Tri-Cities, and on "the feelings, these at the meeting expressed."

He praised work being done by the Lewis & Clark administrative staff but added "90 to 95 per cent of our students go to Belleville Area College and we know Belleville operates a good junior college district."

He said the Madison district favors creation of a new local junior college but said the number of students at BAC indicates the residents of the

Madison school district would rather annex to Belleville than Lewis & Clark if a local district plan is rejected.

"The junior college board is playing some kind of a game to push us into Lewis & Clark."

"If it would accept Collinsville annexing to Belleville, then we would be contiguous and could apply for annexation to Belleville. But it has not placed Collinsville's petition on its agenda."

"If it forces Granite City into Lewis & Clark, then we would be contiguous to Lewis & Clark and may be forced into there."

"They see Belleville as a richer district and they are trying to build up Lewis & Clark."

"There is a lower tax rate at Belleville. If we would throw our assessed valuation to Lewis & Clark, the would probably use that money for building, not to lower their tax rate."

"We are kind of being thrown around and we do not know

what is happening. We would like to form our own district but unless Collinsville and Edwardsville come in, I do not think we will have enough people and valuation for our own district."

"They are making it difficult for this area to go into its own district."

"We want to use the facilities at Southern Illinois University at Edwardsville but we are being kept from going into our

own district mainly because of the state junior college board guidelines."

"We qualify under the legislature's guidelines for formation of our own district, but then the governor and the state board come by and say 'You need more.' They are playing some kind of game," he reiterated.

Sharp uptrend in price index

Led by poultry, eggs and pork, food prices soared six per cent in August, the Labor Department said Friday. This exceeded any month since July 1953. The consumer price index rose 1.8 per cent, the sharpest rate of increase in 26 years.

A June 13 price freeze ended on food July 15 and ended on other items Aug. 12. The White House said the inflation pattern is only temporary and the prices should soon taper off.

News notes

The five-week-old St. Louis newspaper strike continues, with lawsuits pending as well as contract disagreements. New talks are being sought by a federal mediator.

With Chrysler Corp. workers ratifying a new contract, the Fenton, Mo., plant resumed production activity Sunday.

Turbo train service between St. Louis and Chicago is to begin Oct. 1.

Actress Diana Sands, 39, died Friday night.

St. Louis is being considered for possible direct passenger flights to Europe.

Henry Kissinger was con-

firmed by the Senate 78-7 Friday as the new U. S. secretary of state. He took the oath of office Saturday.

Additional Watergate hearings by the U. S. Senate special committee are planned at 9 nightly this week on Channel 9.

Martha Mitchell, wife of former U. S. Attorney General John Mitchell, said in a televised interview last night that she wants her husband back.

Mitchell, who left their apartment two weeks ago, and former Commerce Secretary Maurice Stans are to be tried in October for alleged perjury, obstruction and conspiracy.

Supports area Jr. College

The Venice Board of Education voted to continue supporting the formation of a Junior College District in the Quad-City area and to prepare a formal resolution recommending that necessary action be taken toward that goal at its meeting last week.

Board members heard a Venice resident criticize financial operations in the school system and suggest the elimination of an administrative post and other jobs as a means of curtailing deficit spending by the district.

A second visitor at the meeting criticized the board for its failure to take "more affirmative action" and join with the DeKalb School District #32 in a class action suit seeking to restore a portion of state aid to Illinois schools blocked earlier this year by Gov. Dan Walker and the Bureau of the Budget.

John Boushard, the father of five children attending Venice schools, suggested the reduction of staff, including the post of assistant superintendent and librarian.

"I am not against a tax hike, but I believe we should dig into this system and find out what we really need here," Boushard said.

He prefaced his remarks to the board by questioning the validity of "talk around town concerning a merger between Venice schools and the Madison School District."

Boushard was assured by Leo Davinroy, board president, that no formal discussion by the school board had included such measures to relieve high operating costs and balance expenditures with reduced revenue in the Venice district.

Assistant Superintendent Robert N. Vickers asked Boushard if he was aware of his duties and if Supt. John O. Pier had been queried regarding his thoughts in handling district administrative duties alone. To both inquiries, Boushard

replied "no."

Milton Morris, a Venice businessman, took the board to task after members voted in agreement with proposed action by the DeKalb Board of Education, but declined to take an active part in pending litigation in an effort to restore more than \$56 million in state aid to schools.

"You are the first level of the people's democracy in school systems. I think all school districts in Illinois should join the DeKalb board in the fight

and not let the state dictate to us," Morris said.

Board Attorney Lawrence Hartman said it would cost between \$500 and \$1,000 to file an amicus curiae brief asked by the DeKalb board.

In a letter to the Venice board, Mrs. Mildred Eychaner, DeKalb board president, and Charles W. Fowler, superintendent of schools, stated that an examination of the State Finance Act and School Code suggests "there is no authority for the Bureau of the Budget or

the governor to withhold one payment during the 1974 fiscal year."

"The statutes clearly require monthly 1-12th payments," the DeKalb officials continued.

"The legislature appropriated sufficient funds to pay school districts their entire 1973-74 claim in the 1973-74 school year."

"The governor's amendatory veto of \$45 million of that appropriation still leaves \$500 million that can be distributed to schools in this state in this school year; as a result of the decision to limit payments to 11, however, some \$56 million of that amount will never reach the schools and benefit the

school children of this state during this school year," the DeKalb board president said.

"If twelve payments of state aid this year would help your school district and its program, I would urge you to counsel your board to support the DeKalb School Board in its effort to uphold the rights of local school districts in this state," the letter concluded.

Supt. Pier said a team from the Office of the Superintendent of Public Schools will visit the Venice district to evaluate progress in programs recommended by a previous state team.

Plans were made by the

board to attend a legislative dinner Thursday at Granite City High School and a meeting Oct. 24, also in Granite City, of the Southwest Conference of the Illinois Association of School Boards.

Granted tentative approval was a request by the Young Men of Eagle Park group for use of the Venice-Lincoln Technical Center gymnasium during the winter months.

Approved was continued use of the Boy Scout building and St. Mark Church basement as temporary classroom space for special education classes.

The Venice Red Devil Boosters Club was given per-

mission to utilize the Venice school grounds on Saturday for a car washing project, and plans were made to install non-skid strips on steps in the school building.

The board authorized hiring a half-time early childhood teacher for the remainder of the current school year as part of its cooperative program in the local Special Education District. Two-thirds of the teacher's salary will be reimbursed from state funds, Pier said.

Explorer program explained

The new Explorer program of the Boy Scouts of America has a basic new look that is attracting teenagers to it, Dave Wilson, Explorer program chairman for the Cahokia Mount Scout Council, told the Breakfast Kiwanis at its Thursday meeting in Charlie's Restaurant.

Wilson explained that Explorer posts are organized along career interests and adult-life experiences. He said that another new change in the program is that at the option of the local sponsor, girls between

ages of 14 and 21 can join the Explorers.

Cy Cooper of the Granite City Jaycees discussed the "Save Our Sight Program" scheduled at Coolidge school on Oct. 5. The sight program is a combined project of the two clubs.

Cooper commented that last year 485 persons were tested and 244 were referred to their doctors for further examination and treatment.

Kiwanian Darrel Weible, president of the evening club, was a guest at the meeting.

Optimists to install

The Granite City Optimist club will install new officers at 6:30 p.m. Thursday at the Sunset Hill Holiday Inn.

Optimist Bill Todd and Alan Walker are co-chairman of the event.

Officers, elected in July, to be installed are David Fox, president; Frank McGinnis and Kent Dunn, vice-presidents;

Jerry McDonald, secretary-treasurer, and Louis Pashoff, sergeant-at-arms.

New members of the board of directors to be installed are William Monical, Jack Dempsey and Maurice Dailey.

A program in hypnosis will be presented by Wayne Green.

The noon meeting Thursday was devoted to planning the Camelot Auction scheduled Saturday, Oct. 20, at the Sunset Hills Country Club.

Services held for John Winkel, 77

Funeral services were held Wednesday for John H. Winkel, 77, of 305 S. Metter St., Columbia, a retired duty processor for the Granite City Army Installation, who died Sunday at his home.

Survivors include sons Norman of St. Louis, Kenneth of Woodburn, Ore., and Ray of Millstadt, and a sister, Mrs. John (Theresa) Stockel of Columbia. Services were held at 2 p.m. Wednesday at St. Paul United Church of Christ, Columbia.

PROPOSAL DEFEATED
A White House proposal to reorganize and enlarge the Supreme Court was defeated by the Senate on July 22, 1977.

Dress-A-Doll* is a happiness thing.

Enter our Dress-A-Doll Contest today.

Christmas is a special kind of happiness. When you take part in our Dress-A-Doll program you bring a child that special brand of happiness on Christmas morning.

We need your help. Stop by and pick up a free doll, but do it now because our supply of dolls is limited. Sewing skill is secondary; putting a doll in the arms of a child on Christmas morning is what's important, and only you can do that.

In the coming weeks design and sew an outfit for it, then return it to us. Your doll will be displayed in our lobby with all the other Dress-A-Doll dolls. Prizes will be awarded. Finally we will see that your doll finds a home on Christmas day.

You make Dress-A-Doll a happiness thing. Thank you.

Dear Santa
I like my doll.
My doll is pretty.
I love her very much.
I thank you for her.
I take her to bed
every night.
I play with her
every day.
I am 8 years old
Your friend
Judy Miller

Not pictured but participating in the presentation was Miss Elizabeth Tolbert, 7, a recipient of the eye bank.

Rare scientific opportunity if new Illinois airport is built

Development of the proposed new airport for St. Louis at Columbia-Waterloo, Ill., will greatly expand opportunities for scientists to survey, recover and preserve fossils and other important deposits. Arvin H. Saunders, executive director of the St. Louis Metropolitan Area Airport Authority, told the Press-Record Friday.

"All airport planning has put priority on this and other environmental matters."

"Our Environmental Impact Statement filed with federal authorities contains a complete archaeological-paleontological plan," he said. "It is considered one of the most advanced ever developed."

"Unfortunately, information circulated by opponents completely misrepresents the facts."

"The facts are that development of the airport will give scientists a specific and unprecedented opportunity to

learn fully the extent of archaeological-paleontological deposits within the airport area and to take all appropriate action to recover and preserve them," Saunders said.

Following is the plan as set forth in the Environmental Impact Statement filed with the federal government.

Discussed with the Illinois State Geological Survey have indicated the presence of many areas of paleontological interest along the Mississippi River running from Wisconsin to well south of St. Louis.

These areas are located in Wisconsin, Illinois, Iowa and Missouri in and near cities or towns such as Dubuque, Davenport, Burlington, Keokuk, Warsaw, Quincy, Hannibal, Louisiana, Alton, St. Louis, Waterloo and Chester.

Most of these general areas cover 10-50 square miles of territory spread along and out from the Mississippi River and its tributaries, with particular sites located at various points throughout each area.

In the vicinity of the airport there are sites located near Hecker, Valmeyer and the Vogel School site near Florville. Of these, only the latter site is within the airport property.

The Illinois State Geological Survey has proposed and will undertake a paleontological survey and recovery program for the general airport area.

Under this program, a survey of the entire area will be made by a team of paleontologists under the direction and supervision of the survey, prior to airport construction.

Any sites within the construction zone will be studied, and the fossils or data will be collected and preserved before construction is undertaken.

Any other sites on airport property will be developed under the direction of the Survey, or preserved as part of the master plan and made available to paleontologists and the public.

The Survey has said the airport development provides a unique opportunity to make an extensive analysis of the entire area.

Granite City Press-Record
Mon., Sept. 24, 1973 Page 3

With the implementation of the paleontological recovery program just described, the survey has said, there will be assurance that there is optimum development and use of any sites in the area, and that the data are properly collected, preserved and made available for study and display.

Inquiry made of the Illinois Archeological Survey has revealed that there are over 10,000 recorded archeological sites in Missouri and 6,000 in Illinois. Of these sites, the survey said, there are four archeological sites in the vicinity of the airport development.

Only one of these sites is within the proposed airport property line. The others are located outside the property line, approximately 1 1/2 miles east from the end of the principal runways.

None of the four sites in the vicinity of the airport is among the numerous Illinois archeological sites currently catalogued by the Survey as high priority.

The Airport Authority has received a proposal from the Illinois Archeological Survey for an archeological survey and recovery program.

Pursuant to this program, a survey of the area will be made by an archeological team under the direction and supervision of the Survey prior to construction — and provisions will be made for the documentation and recovery of archeological findings in the area.

The Survey has said that this program will give archeologists an otherwise unavailable opportunity to engage in an extensive survey and optimum recovery program in this area of southwestern Illinois for scientific data relating to both historic and prehistoric periods. Thus, the airport will not destroy the opportunity to study the archeological data and materials in the area, but instead provides a unique opportunity for their discovery, analysis and preservation, the impact statement concludes.

Fun program initiated at Y

The Tri-City Area YMCA, 2001 Edison Ave., is offering a comprehensive fun program for first to eighth grade pupils on Saturday mornings.

Children must be grouped according to grade level. The grades first to sixth meet from 9 in the morning until 1 in the afternoon. During that time they will visit the craft-shop where SUE art major Nancy Hutchison will have many projects for them, go to the gym for supervised games, the pool for swimming, the club rooms, auditorium, and game rooms where the leader of each group has special activities scheduled ranging from movement education and drama, to ping pong and story telling.

Each group will have its own leader. Pete Muthill, Ann Renaud, Becca Ashcraft, and Steve Sawyer are among the staff, led by Program Director Mike Tharp.

Lunch will be brought from home. The children will need swimming suits and towel. The fee is \$1.00 for the morning for

members and \$2.00 for the morning for non-members.

The seventh and eighth graders will have their own program with gym, swim and special activities for boys and girls. Cost for junior high members is \$1.50 and non-members \$2.50. Their program starts at Noon and will continue to 2 p.m.

WANTED HOMES THAT NEED PAINTING

ST. LOUIS, MO. — Home owners in this general area will be given the opportunity of having new aluminum siding or the new Steel Siding by U. S. Steel applied to their homes with optional decorative work at a very low cost. This amazing new product has captured the interest of homeowners throughout the United States who are fed up with constant painting and other maintenance costs. It will last for 30 years and provides full insulation summer and winter as well as FIRE PROTECTION. Our New product can be used on every type of home, including frame, concrete block, stucco, etc. It comes in 8 colors and is now going to be introduced to the St. Louis market. Your home can be a show place in your vicinity and we will make it worth your while if we can use your home.

For appointment please write (including name and address and phone number) to Siding Dept. U. S. Steel, c/o Box 22, Granite City Press-Record, 1815 Delmar, Granite City, Ill. 62040.

To: All Concerned Quad-Citians

Tuesday, September 25, marks the kickoff of the 1974 United Way fund drive, with a goal of \$400,000 dollars.

For six consecutive years our communities have failed to reach the established campaign goals. Thus, we failed our responsibilities to our youth, and to those less fortunate than the great majority of us, in not providing the funds necessary to enable the various United Way agencies to carry out their work.

I do not believe any of us can be proud of this record.

Knowing the people of the Quad-Cities, I cannot accept that our past failures are the result of a callous disregard for the welfare of our neighbors. I believe the real reason is a lack of understanding of the work performed by our United Way agencies.

A few figures may be helpful. During the past year, services provided by the 18 participating agencies touched the lives of 49,000 of our citizens, young and old. These services were performed by 3,200 of your neighbors and friends serving as volunteer workers assisting the small professional staffs employed by the agencies.

It is difficult to set a formula for "Fair Share" giving, but if each gainfully employed person would give 1% of his after-tax income, I am sure we could make our goal.

It will be a great feeling when we can once again throw our shoulders back, our chin up, look our neighbors straight in the eye and proudly state -- "WE MADE IT".

Sophomore sparks grid Steelers but Pioneers prevail, 14-13

By KEN THOMPSON
Press-Record Staff Writer
The Pioneers of Assumption, trailing the Granite City High School North Steelers 7-6 at halftime, blocked a punt to turn the tide here Saturday afternoon and take home a 14-13 victory.

Burkhart wins funny car duel

The Mike Burkhart nitro-methane fuel burning super-charged funny car downed the popular L. A. Hooker in three consecutive rounds Sunday during the eighth annual Gold Cup Drag Race at St. Louis International Raceway.

Pro-stock competition was won by Jerry Haas at the wheel of the Rich Thomas prepared Camaro, defeating a field of 13 cars from several states.

Quad-City pro-stock entries included Fred Shaffer, Terry McCormick in the Dedmon and McCormick Duster, Al Mitchell and Roger Elliott in the Suspicion Camaro, Mitchell and Kunkel's Executioner and Bob Renick in the Renick and Hildebrand Camaro.

Granite City Press-Record

on the scoreboard with a 6-0 lead.

The talented Heavens also figured in a Pioneer score late in the third quarter.

Until late in the second quarter, both teams' play was marred by fumbles and penalties.

Assumption, which turned the ball over to North six times on four fumbles, a blocked punt and a pass interception, was limited to minus seven yards in total offense in the first half.

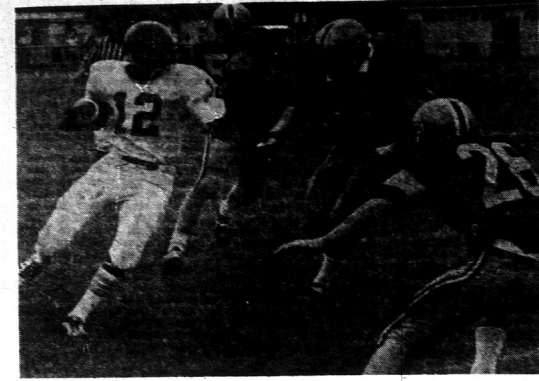

The Steelers, losing the ball twice on fumbles and totaling only 25 yards offensively, took advantage of a Pioneer delay of game penalty to post a 7-6 lead with two seconds left in the half.

Quarterback Rod Young, facing a second and its situation on his own 47, attempted a pass which was intercepted at the 30 by Larry Schleicher, a halfback and safety. Schleicher has moved up from the sophomore squad to replace the injured Mike Deneff.

With 12 seconds left, Schleicher, running down the left sideline between two tacklers, caught a Gene Logas pass over the head on the one-yard line and continued into the end zone for a Steeler touchdown. The extra point kick by Lenny Wright was good for a 7-6 lead at the half.

Recovering a North fumble after the second half kickoff, Assumption moved to the Steeler one-yard line, where it met head-on the strong defense built by Coach Tom Wyrostek.

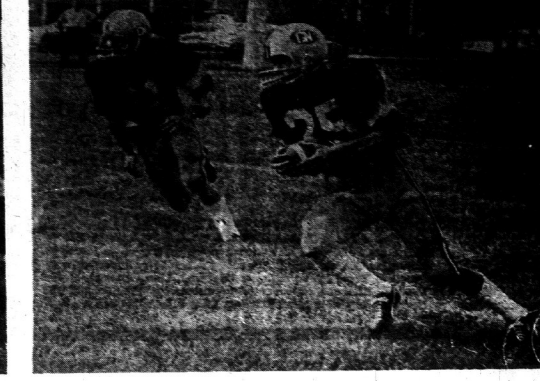

The Steelers held and took

SURROUNDING THE ENEMY here Saturday afternoon are North High gridders David Hamilos (50), John McMillon (77) and a third Steeler defensive player. The Assumption runner is Quarterback Rod Young. (J. C. Richardson Photo)

possession. But North failed to move past its own 17 and a punt by Wright, which was partially blocked, ended on the 20 yard line.

Assumption, constantly changing quarterbacks had Rich Rodick working out of a power "I" formation for a

STEELERS' NEAR-VICTORY ended in a 14-13 Assumption victory at Granite City Saturday. William Carr, (25), a North High School halfback, carries the ball and Quarterback Dennis Hahn (11) moves up to provide blocking. (J. C. Richardson Photo)

the final quarter, Dennis Hahn returned a Pioneer punt 46 yards to the opponents' 43.

Heavens' two-point conversion run made the score 14-7. With seven minutes to play in

starting a Steeler drive which ended with a one-yard TD plunge by Al Sunderlich.

With the score 14-13, North—going for broke—failed in a two-point pass attempt to Tight End Ray Fvalka.

Penalties, a pass interception by Assumption's Fred Jones and failure to move out of its own territory cost North what might have been a sweet victory.

Coach Wyrostek said afterwards, "Our own mistakes kept us from pulling off what

probably would've been the upset of the year."

"I'm still pleased with our performance," he said. "The defense did its job. Now it's a matter of improving the offensive unit."

Wyrostek's Steelers, without the services of two starters, Donoff out with a broken ankle, and returning letterman Rick Kohnenstiel, who broke his hand in practice last week, will travel to Wood River at 7:30 p.m. Friday to play their first road game.

Coryell's Cards bounce 'Super' Redskins 34-27

St. Louis football Cardinal fans exceeding 50,000 thought they would be watching a potential Super Bowl team at Busch Stadium yesterday when the Big Red hosted the Washington Redskins.

They may have been, but which team? The upstart, undefeated Cardinals of Don Coryell outplayed and outscored Washington, 34-27.

Much like heavyweight boxers trading haymakers in the last round, the two teams slugged it out in the fourth quarter as each posted 17 points on the scoreboard.

Quarterback Jim Hart matched both famed Redskin passers. Hart completed 17 of 28

passes for 287 yards. Bill Kilmer connected on 14 of 22 serials for 161 yards and Sonny Jurgensen 12 of 19 for 140 yards. Washington had a slight edge on ground yardage, 69 to 68.

Tight End Jackie Smith caught passes on plays gaining 129 yards.

A Donny Anderson run capped a 72-yard Big Red drive near the end of the first period, which ended 7-0. Washington tied it in the second quarter as Kilmer passed 23 yards to Charlie Taylor.

A Redskin field goal earned a 10-7 lead for the visitors in the third period, but a one-yard plunge by Anderson following a long Cardinal march made it 14-10.

Shortly before the final quarter began, a Jim Bakken field goal produced a 17-10 St. Louis lead.

The Big Red drove 76 yards in four lightning plays. Hart passing 12 yards to Anderson for the TD and a 24-10 advantage. Washington retaliated by moving 73 yards in seven plays. Jurgensen passing 10 yards to Charlie Haraway.

A Don Sky kickoff return of 91 yards for St. Louis was followed immediately by a 97-yard return by Herb Mulkey, an unusual back-to-back touchdown episode.

Nearly ten minutes remained, but St. Louis drove to a 28-yard field goal. By the time Washington got a 37-yard three-pointer, only five minutes were left.

A final Redskin advance

Fencing class

Registration for a fencing class at SIUE will be held from 7 to 10 p.m. Tuesday and Thursday, Sept. 25 and 27, in Room 003 of Lovejoy Library. Instruction will begin Oct. 2.

The class is sponsored by the SIUE Fencing Club and the intramural office, and is open free to the public.

Classes will be held every Tuesday for 10 weeks from 7 to 8:30 p.m. in Room 003. Certificates will be awarded after successful completion of the class, or proficiency credit for physical education may be arranged.

The class will be limited in size. Interested persons are to complete registration, or call Miss Martin at the intramural office at SIUE, telephone 692-3986.

LOOT BILLIARD HALL

About \$200 in change was stolen from seven pinball machines and the juke box at Plaza Billiards, 2500 Nameoki Road, after the machines were broken open, it was reported Thursday. Entry was gained by breaking the front window. Two cross bars were removed from inside a side door and were found in a barrel outside. The door was left open.

Williams, Dombek, Schooley sharp as Warriors win 34-12

The Fighting Warriors of Granite City High School South lived up to their name Friday night at O'Fallon, bouncing back from an opening loss to Riverview Gardens by sparring the Panthers 34-12.

It was O'Fallon's worst defeat since its inauguration of varsity football in 1967.

O'Fallon, victor over South 20-0 a year ago, was allowed only two touchdowns by the Warriors defense and was held to 253 yards in rushing and passing, as compared to five touchdowns and 323 total yards for South.

The Panthers scored with four minutes left to play in the first quarter when Mark

Lawrence made a three-yard run into the end zone to give his team a 6-0 lead which held up until the end of the period. Later quarter scores were 27-6 and 34-6.

O'Fallon's only other touchdown developed early in the fourth quarter after South's Kirk Champion intercepted a pass and ran the ball back to the

enemy 19-yard line.

Two plays later, Champion, quarterback Dave Dombek, attempted a pass into the end zone. It was intercepted by Russ Thomas, who returned it to his own 20.

Thomas, largely with quarterback back, moved the ball to the seven, and then handed the ball to Running

Back Mike Grandcolas for a touchdown run.

The initial Warrior TD drive began on the South 30. Dombek engineered an advance to the Panther 35, where it was fourth down and 20 yards to go. The quarterback ignored the field goal opportunity and threw to Tom Schooley in the end zone.

Bryan Bunjan's extra point

kick put the visitors ahead 7-6.

A fumble recovery on the O'Fallon 10 set the stage for the second Warrior TD. Dombek faked a pass and then rolled out around left end for a three-yard TD run. A two-point conversion attempt by Dombek Williams failed and the score remained 13-6.

Next came a classic 72-yard drive capped by a six-yard run by Paul Muehl and key yardage by Williams. Bunjan was

on target and it was 20-6.

With less than a minute remaining in the first half, the Warriors maneuvered to good field position and a Dombek-to-Schooley pass produced a 30-yard scoring play. Bunjan's extra point increased the lead to 24 points.

South put the frosting on the cake late in the third quarter, Dombek hitting Tight End Ray Smith from 15 yards out.

Bunjan's kick made the score 34-6.

Although ground gains provided more than half of South's offense, the aerial attack of Dombek and the sure hands of Schooley gave the Granite City their greatest advantage over O'Fallon.

Running Back Dale Williams sparked with 154 yards gained. "I'm contented," was Coach Wayne Williams' reaction.

"We've put it all together and now we are looking toward Saturday."

The Warriors will begin their southwestern Conference season by playing host at 1:30 p.m. Saturday to the Tigers of Edwardsville, fresh from a 69-31 romp over Collinsville.

Tigers win in 100-point game

In weekend high school varsity football games, the Edwardsville Tigers crushed Collinsville 69-31, Belleville West blasted Alton 7-0, Wood River defeated Bethalto 14-7, Dupo shut out Nashville 12-0, Sikeston won 37-12 over Lincoln of East St. Louis and Highland overcame Vandalia 20-12.

Other contests saw Triad top Jerseyville 19-7, Breese Mater Dei beat Greenville 7-0, East St. Louis conquer Cahokia 21-0 and Belleville East whip Roosevelt of St. Louis 28-6.

20 NAMEOKI VILLAGE

Like pages out of the past, Madison High School met an army at Alton Marquette which whittled away the football Trojan "horse" 42-6 Friday night.

Madison, seeking its first victory of the year, ran into a solid Explorer defensive wall which allowed the Trojans only one touchdown while Quarterback Jay Eckhouse, a 165-pound senior, cut up the MHS defense with touchdowns after touchdowns.

Eckhouse released three touchdown passes, two to Halfback Mike Slaughter, and two to running back in 16 and 28 yards out, and one to Dennis Carrow for a 30-yard scoring play.

With 11 seconds remaining in the first period, Eckhouse also ran to pay dirt from the 19 after marching the Explorers from their own 12 in eight plays.

Eckhouse kicked two field goals and kicked all four of Marquette's extra points.

Bob Roth assisted him in scoring when he caught Madison Quarterback Emmett Timmons in the end zone and

brought him down for a Marquette safety. Quarter scores were 13-6, 24-6 and 30-6.

Madison, called for eight penalties for a loss of 80 yards and a variety of three pass interceptions, capitalized on Marquette penalties to score its only touchdown.

Quarterback Timmons led a 35-yard drive to the five-yard line, where he handed the ball to Running Back Chris Stanley for a dash into the end zone.

The extra point attempt, a kick failed to go through the uprights and Madison never saw the enemy end zone again.

Coach Al Vander Haar told the Press-Record, "The touchdown drive was achieved through Marquette penalties and cannot be attributed to our offense. We did have the ball in scoring position three times previously but fumbled each time."

The Marquette defense stopped the ground game almost cold, allowing 95 yards in rushing.

"We just couldn't get a drive going," Vander Haar said. "Key players failed in their

assignments and the defense was a half step away from stopping the Explorer game plan."

The Trojans will carry a 0-2 record against Assumption of East St. Louis 4 p.m. Friday at Madison.

Redbirds not far from 5th

The St. Louis Cardinals are going great. And terrible, depending on which sport is the topic.

Just as the football Cardinals prospects bring burning brightly, the baseball Cardinals pennant hopes seem to be plummeting.

Yesterday the Redbirds took

a 2-0 lead but lost 5-2 to the first place Mets at New York. Pittsburgh stopped Montreal twice, 6-3 and 7-2, and Philadelphia edged Chicago 9-7.

National League East Division standings today show Yogi Berra's Mets with 79 wins and 77 losses, a half game ahead of Pittsburgh, 77-76, which still has the edge in the key defeat column.

St. Louis is third with 76-80, and Montreal and Chicago each has 75-80.

Cincinnati has an unbeatable edge over Los Angeles in the National West Division.

Both American League races were decided during the weekend, Baltimore clinching it in the East and Oakland in the West.

On Saturday, John Matlack of New York shut out St. Louis 2-0 in a four-hitter.

In Philadelphia Friday, the Redbirds won 12-3 as Rick Wee earned his 14th win and two Tedis, Sizemore and Simmon, starred at bat. A rally fell short as St. Louis lost to the Phillies 6-5 Thursday.

St. Louis returns home this week to end the season, hosting Chicago and then Philadelphia.

Maroon soph gain shutout

The South High sophomore grid team lost its second consecutive game Thursday at Belleville at the hands of West High, 33-0.

The Warriors could not move the ball and South's defense failed to stop enemy drive, which included two touchdowns by Mike Robinson, on an 80-yard run in the second half.

Emma Whitecotton weds Curtis E. Bosworth

The wedding of Miss Emma Jean Whitecotton and Curtis E. Bosworth was solemnized at 6 o'clock Saturday evening at the First Baptist Church, Fifth and Alton Streets, Madison.

Bouquets of daisies on the altar and burning tapers decorated the sanctuary for the double ring ceremony performed by the Rev. Paul Davis.

Mrs. Louise Lewis, soloist, sang "Twelfth of Never," "We've Only Just Begun" and "The Lord's Prayer."

Parents of the bride are Mr. and Mrs. Clarence E. Whitecotton, 1900 Third St., Madison. The groom is a son of Mr. and Mrs. Courtland W. Bosworth, 1657 Fourth St., Madison.

For her wedding, the former Miss Whitecotton chose a white organza and Chantilly lace gown designed in Empire style, with a ruffled V-neckline and long fitted sleeves terminating at the wrists in a wide band of lace.

Two lace panels enhanced the A-line skirt and lace encircled the hemline and edged the detachable chapel length train. She wore a halo headpiece of lace flowers to secure a shoulder length bouffant veil and she carried a cascade bouquet of white daisies, yellow Sweetheart roses and baby breath.

Miss Darlene Goskie, maid of honor, selected a mint green dotted Swiss gown of Empire design, accented with a daisy trim around the square neckline and on the short puff sleeves. Her floor length skirt was fashioned of triple tiers of white daisies, gathered at the waist.

The bridesmaids, Miss Ellen Bosworth, a sister of the groom, Miss Linda Whitecotton, the bride's sister, and Miss Tammy Donaldson, and the flower girls, DeAnn Toenyes, the groom's niece, and Angela Economy, a cousin of the bride, wore identical frocks of pale yellow dotted Swiss.

Noe-tie veils covered their hair and were held in place with matching bows. Each carried a bouquet of daisies and baby breath.

Attending the groom as best

MRS. CURTIS BOSWORTH, whose wedding took place Saturday evening at the First Baptist Church in Madison. She is the former Miss Emma Jean Whitecotton, a daughter of Mr. and Mrs. Clarence E. Whitecotton, 1900 Third St., Madison. (Lazenby Photo)

man was Eddie Meyer. Marvin Owea, George Toenyes, a brother-in-law of the groom, Donald and Norman Whitecotton, the bride's brothers and Charles Bosworth, the groom's cousin, completed the corps of groomsmen and ushers.

Mrs. Jeanne Toenyes and Mrs. Diane Lybarger, sisters of the bride, acted as bridesmaids. The bride's mother was seated at a reception given at the Venice Recreation Hall.

The bride's mother was seated in apricot chiffon over

taffeta, enhanced with scalloped cotton lace and pearl cluster buttons.

Mrs. Bosworth, mother of the groom, chose a formal length gown in a pale apricot shade designed with three-quarter length sleeves set in a beaded bodice. Both mothers wore white orchid corsages.

The bride is employed as a secretary at McManaway Insurance Agency, Madison.

Mr. Bosworth works at Granite City Steel Co. They will reside in Madison.

Noon-Day Opti-Mrs. opens fall season

Thirty-four women of the Noon-Day Opti-Mrs. Club attended a luncheon meeting at Charlie's Restaurant last as the first event of the fall season.

Guests present were Mrs. P. Lewis Frazier and Mrs. David V. Fox. New members welcomed into the club were Mrs. Lawrence McCauley and Mrs. William Todd.

Mrs. Meri Jennings, chairwoman of the nurses' scholarship, introduced Miss Susan Greco, recipient of the Opti-Mrs. nurse's assistance scholarship.

Miss Greco, also a guest, was graduated from Barnes Hospital School of Nursing Aug. 25 and personally thanked the club for its generosity. She now plans to work at Barnes Hospital.

As a fund-raising project for the nurse's scholarship fund, articles brought by members were auctioned by Mrs. Irvy Todd, assisted by Mrs. Carl

Ranft. Mrs. John Kirchoff, fund-raising chairman, passed a birthday box for donations by members having recent birthdays, proceeds of which also go into the fund.

The new Student selected for nurse's training is Miss Linnie Stalecker, 2746 Sunset Drive, who also has entered Barnes Hospital School of Nursing.

Prizes for the afternoon's social hour were received by Mesdames Irvy Todd, Paul Halbert, Suzanne Brooks, Lawrence McCauley and Gene Stenberg.

Mrs. David Parrish, chairman, reported the annual Guest Day of the Noon-Day Opti-Mrs. Club will be in the Terrace Club of Central Christian Church, 2020 Johnson Road on Oct. 15.

Hostesses for the day were Mesdames Irvy Todd, Paul Halbert, Suzanne Brooks, Lawrence McCauley and Gene Stenberg.

Mrs. David Parrish, chairman, reported the annual Guest Day of the Noon-Day Opti-Mrs. Club will be in the Terrace Club of Central Christian Church, 2020 Johnson Road on Oct. 15.

Hostesses for the day were Mesdames Irvy Todd, Paul Halbert, Suzanne Brooks, Lawrence McCauley and Gene Stenberg.

Parents to hear SIUE educator at St. Peter

Robert E. Rockwell, an instructor in the Department of Elementary Education at Southern Illinois University at Edwardsville and director of the SIUE Day Care Center, will be the featured speaker Tuesday at a "Coffee Break for Parents Education."

The program is being sponsored by St. Peter United Church of Christ, 21st Street and Cleveland Boulevard, starting at 10 a.m. and concluding at 11:30.

All parents of the community are being invited to attend. Along with coffee and cookies, child care will be provided. There is no fee and no advanced registration is required.

"The 'Coffee Break' is a new series of parent education programs designed by St. Peter School for the Young Years as a service to the community. Mrs. Judy Werthe, director of the school, said throughout the year noted speakers on parent education, child guidance and parent-child relations will be scheduled.

In her work with parents as an elementary teacher and as director of the pre-school program, Mrs. Werthe said she has found a continual request for these "helps."

"Our program," Mrs. Werthe said, "is planned as a brief but concentrated effort during the morning hours while children are in school to help parents with the important task of guiding their child's development."

Dorothy Costello, Georgiana Van Buskirk, Lois Hodge and Mary Evelyn Yench, Eunice Hatcher won a special award. Mrs. Yench reported on receipts from a booth sponsored by the chapter in the Charity Days event and another fund raising project.

Mrs. Katherine Smith read the "Yearbook of Prayer" and Mrs. Helen Johnson presented a lesson on "Daily Celebration."

Professor Rockwell, a resident of Belleville, is a graduate of Illinois State University and Western Illinois University. He has taught remedial reading in Quincy, as well as working as a speech therapist and teacher of the hard of hearing in that city.

He is a member of the Council of Exceptional Children, Phi Delta Kappa, National and Illinois Education Associations, Illinois Speech and Hearing Association and the American Educational Research Association. His topic at the "coffee break" will be "Parent Involvement in Early Childhood."

Off-street parking for the program will be available in the church lot at the rear of the building.

PAST REGENTS HONORED BY WOMEN OF MOOSE
Past regents of Granite City Chapter 247, Women of the Moose, were honored at a meeting held last week at the Moose Hall. Mrs. Edna Miller served as hostess.

Those accorded special honors were Mesdames Alce Bohnstiehl, Verlyn Vollmer, Iris Chastain, Helen Oberlin, Margaret Fronberger, Marian Lipcom, Dorothy Coy, Jean Teller, Mildred Votoupal and Dorothy Pulley.

After a short meeting, games were played and each member received a small gift. The next meeting will be Oct. 16, with Mrs. Fronberger as hostess.

Tax funds withheld

Financial difficulties in the Madison School District are being compounded by tax funds being held in an escrow account by Consolidated Aluminum Industries (Conalco), John Palchett, Madison School superintendent, told the Madison Board of Education at its regular meeting Thursday night.

Palchett said from \$150,000 to \$180,000 of the district's money is among \$300,000 tied up by the company which is protesting its assessed valuation. Assessment hearings are to be scheduled by the state.

The board has met with company officials to discuss the problem but has been unable to reach a suitable solution, the school superintendent disclosed.

"This puts us in an awkward position since we already are in a tight financial position," Palchett told the board. "If this gets into the courts, it could hurt our district," he added.

Page 10 Mon., Sept. 24, 1973

Palchett told the board that recognition approval has been granted by the Office of the Superintendent of Public Instruction for all district schools. The junior high school received only temporary approval because of the split shift there, he said.

Eldon Rhoads, maintenance supervisor for the district, reported two chimneys have been torn down to roof level and the roof has been repaired at Dunbar School. Roofing work also has been completed at the Blair School multi-purpose room and at the high school shop area.

He is awaiting receipt of another bid before suggesting a contractor to repair another Dunbar chimney, damaged when a boiler exploded last year.

Mrs. Evelyn Holt, cafeteria director, reported that the district is not having difficulties obtaining meat for school lunches, "but the prices are way up," she explained.

No reimbursements have been received from state or federal agencies for milk, so the cafeterias are charging nine cents for each half pint, a price reflecting the cost to the district, she added.

The board hired Mrs. Odessa Collins, Miss Jacqueline McDonald and Miss Patricia Pritchard as Title I Aides for

Dunbar School. Mrs. Elizabeth Rhodes was hired as an aide for Blair School and Mrs. Dorothy Novosel was selected for that post at Harris School.

Permission was granted for the school lunch cooks to attend the Madison County Food Service Association's Bessen Night meeting tomorrow at Roxana, and to Mrs. Anne Frealey to attend a special education conference in St. Louis Oct. 4 and 5.

Mrs. Mary Quinn, Dunbar fifth grade teacher, was allowed a \$10 registration fee to attend a Sept. 22 creativity workshop at Belleville.

An educational experience trip to Eckert's Farm in Freeburg was approved for Blair School students.

Mrs. Marguerite Connolly, assistant curriculum director, reported the A160 curriculum plan, which includes goals for the district in the future, has been prepared and will be presented to the board soon for consideration and approval.

The board agreed to continue to collect funds from all district personnel for a flower and charity fund. Each employee must contribute a minimum of \$10 per year which is taken from his payroll. The majority of funds collected is for the local United Way drive.

TROPHY WINNERS in the first junior miniature golf tournament sponsored by the Granite City Jaycees display their awards at the Funland Miniature Golf Course where the event was staged. Left to right are Brian Gaddie, first, and John Sturdivant, second, in age group 13-16; David Morlen, first, and David Baker, second, in age group 10-12; Dean Worthen first, and Matt Dine, second, in age group 6-9. Second row, Owen Ross, Jaycee president, and Wayne Worthen, chairman of the program. In rear, center, is Joe Partis, manager of the golf course.

\$15,000 grant to SIUE program

The School of Business of Southern Illinois University at Edwardsville has received an additional \$15,000 grant from the United States Office of Education to underwrite continuation of a work-study program called the Professional Experience Program (PEP).

The School of Business also received a \$15,000 grant from the Office of Education in July, which brings the total granted for the program to \$30,000 for the 1973-74 academic year.

Oliver M. Holmes, director of PEP, said with this additional money the university will be able to strengthen and expand the program to benefit all students.

Students in the program combine work and study during a five-year period to obtain a degree. The freshman year consists of four quarters of full-time study. The four following years consist of six-month periods of alternate work and study.

One SIUE student did his cooperative education work in management systems at the

Monsanto Co. in St. Louis. He had graduated from SIUE since then and is now working at Monsanto at a starting salary of \$11,200.

Graduates of the PEP program at SIUE do not necessarily start out at that salary range, Holmes said, but he said the important thing was that the student already has had work experience while he learns.

Holmes said he is urging more students and employers in the area to take advantage of the program because it helps keep graduates from having to relocate to another part of the country. When graduates can stay in their own communities to work it also helps strengthen the community, Holmes said.

Drainage action studied

City legal authorities are studying action to be taken to enforce compliance by the builders of the Schnuck's-Carp's shopping center in the Namooki area with city drainage requirements, although the shopping center contractor maintains an earlier drainage connection with a city stormwater line has been blocked off, it was reported Friday.

The matter has been referred to Eric Robertson, assistant

city attorney, with instructions to file injunction proceedings if the builders connect directly with city drainage lines rather than construct a holding pond as provided in agreements under which the building permit was issued.

The controversy over drainage requirements developed when the city council, acting on a motion by Alderman Ronald Coleman of the Seventh Ward, last week instructed the city legal staff to initiate proceedings necessary to force compliance with city criteria on development of a holding pond for the shopping center drainage runoff. It was incorrectly reported earlier that the motion was made by Alderman Walter Norn.

Under the holding pond plan, drainage from the shopping center would be withheld from city sewers in a holding area, to be released into the city lines after other city areas had been drained.

Coleman also charged that a holding pond has not been built at the Schnuck's-Carp's development. G. H. Sternberg, contractor for the center, said, however, that a holding pond is in the plans and will be built.

GC Park District plans Ozark trip

The Granite City Park District will sponsor a one day Ozark bus trip Oct. 14. Reservations, costing \$4.75 per person, are being accepted through Wednesday, Oct. 10, at the Park District office in Wilson Park.

Tickets include the price of lunch at the Black River Lodge in Lesterville, Mo., and round-trip transportation. The buses will leave the Wilson Park ice

rink at 8:30 a.m. the day of the trip and will go through De Soto, Potosi, Calverton, Pilot Knob, and Ironton, Mo., before reaching Lesterville. Coffee will be served during a rest stop at Washington State Park on the first half of the trip.

The buses will return by way of Farmington, First River and Crystal City, terminating the trip at Wilson Park between 5 p.m. and 6 p.m.

Nutrition clinic at hospital

A Nutrition Clinic, which is a new dietary service, has opened at St. Elizabeth Hospital. The clinic, under the supervision of Matt Ingram, food service director, and Miss Lynn Schaefer, chief therapeutic dietitian, will aid those needing assistance in following a certain type of diet.

There will be regular classes between 1 p.m. and 2 p.m. at the hospital's clinic office. Clients must be referred by their doctor; the fee is \$5.

Mrs. Ercelia Bassel, hospital dietitian, explained that there are many who have specific diet problems, e.g., if a diabetic does not follow the proper diet he may go into insulin shock. This is caused by not having enough sugar in the system to balance the insulin.

Pregnant women are another group with special diet needs. The health of the baby is affected by what the mother eats. Many young mothers follow a hamburger and French fries diet which is hardly adequate. Calcium and iron are low during this time, making it doubly important to have proper nourishment.

The clinic also hopes to offer help to the elderly who also

have special problems. Many no longer have families to cook for and do not wish to go to the trouble of fixing a big meal for themselves, it was noted.

Those with weight problems are of special concern to the dietitian, hospital authorities said. There is a wealth of material available telling people how to lose weight quickly and without too much effort. Many people are misled and end up following fat diets that are not balanced and can be harmful to the system, they added.

Those interested in attending the clinic should consult their physicians, Mrs. Bassel said.

Rites for employee of A. O. Smith

Services were held at 3:30 p.m. Saturday at a Belleville funeral home for Raymond J. Weaver, 52, of 1803 N. 15th St., Swansea, a quality control inspector for the A. O. Smith Corp. for 18 years.

He died Thursday at Memorial Hospital in Belleville. Survivors include his wife, Mrs. J. Weaver; three daughters, two brothers and three sisters.

Scout Day held at theatre here

Over 600 boys and 50 adults from the Quad-City area attended the Washington Theatre for "Scout Good Turn Day," sponsored by the Granite City Trust and Savings Bank. Every registered Scout who arrived with a non-scout buddy received a colorful patch.

The event opened with the "posting of the colors" by Sergeant Greenly and Corporal Cowley of the U. S. Marine Corps, assisted by Frank Schwertman Jr., Pack 20 Webster School PTA, and Tim McIlroy, Troop 103 St. Margaret Mary School.

The audience was welcomed by Ray Grisham, vice-president of the council executive board. A film "Go Scouting," was shown by Floyd Jordan Jr., district training chairman, and Richard Foote Sr., scoutmaster of Troop 98, of the First Presbyterian Church in Madison.

During an intermission Scott Smith, District Advancement chairman, presented Steve Smith, assistant scoutmaster of Troop 41, Mitchell School PTA, with a "Certificate of Merit" from the council for heroism shown in the saving a man's life several months ago.

Assisting with the event were Megadames Pat Foote, Barbara Schwertman, Nadene Taylor, Rose Lawrence, Mark Yehling, Harold Buechele, Bob LaRue and Bob Williams.

Party fetes

Mrs. Johnson

A surprise birthday party honoring Mrs. Janice Johnson was given last week by members of her family at the Johnson home, 4023 Braden Ave.

Gifts were presented to the honoree followed by games and refreshments.

Those attending were Mr. and Mrs. Amos Johnson Sr., Mr. and Mrs. Joe Rigby, Mr. and Mrs. Larry Rigby and daughters, Laura and Beth, Mr. and Mrs. James Johnson Sr. and children, Tammy, Jimmy, Kenny and Kelly, Mrs. Betty Harris and son, Ricky, Terry Rigby, Mrs. Judy Miller and sons, Richard, Daren, Matthew and Mark, Miss Pat Franklin, Mr. and Mrs. Virgil Ottrell and daughters, Vicki and Tracy, Mr. and Mrs. Max Fletcher and son, Jim, Mr. and Mrs. Gary McCoy, Mr. and Mrs. Jodie Gray and sons, Eric and Jodie, Mr. and Mrs. James Jones and children, Jamie and Sheila, the guest of honor's husband, Amos Johnson Jr., and their children, Melissa, Dean, Daniel and Bryan.

Shower fetes

Judy Siebert

Miss Judy Siebert, who will be married to Michael Novosel on Sept. 29 at Emmanuel Baptist Church, was honored at a bridal shower given by her bridesmaids.

Hostesses Carolyn Schneider, Lisa Novosel, Sandy, Barbara and Janet Siebert gave the party in the Siebert home, 25 Eduardo Drive.

Small white wedding bells and yellow streamers accented a large white wedding bell suspended in the center of the room.

After the honoree opened her gifts, games were played and refreshments served.

1972 McGovern campaign to be SIUE lecture topic

Gary Hart, the director of the George S. McGovern's 1972 Presidential campaign, will be on the campus of Southern Illinois University at Edwardsville, Thursday, to speak about the future of American politics. Hart and Senator McGovern have predicted that "American politics will never be the same again," and Hart will tell why in his 8 p.m. speech in the Madison Room of the University Center.

The 35-year-old Denver attorney is the author of a new book, "Right From the Start." The book was published earlier this year by the New York Times Book Co. and explains the day-to-day operations of the McGovern effort.

Hart, the first staff member hired by the Democratic nominee, is the architect responsible for designing the McGovern for President campaign which surprised the world as it climbed to win the party nomination.

The book and campaign will be the topics of a panel discussion Hart will participate in at 12:30 p.m. Thursday in the Goshen Lounge of the University Center.

Hart also will attend an author's reception in the University Bookstore during his one-day visit. Hart will sign books and talk informally to those in attendance.

Hart's experience in earlier campaigns includes the Kennedy efforts; the young lawyer worked in both Robert and John Kennedy's camps but not at the level he did for McGovern in 1972.

GARY HART

Hart has been called the greatest political organizer in the country by the major magazines and political experts.

Admission price for the afternoon panel discussion and author's reception is free and both are open to the public. The program for the evening program is 50 cents for SIU students and \$1 for non-students.

The programs are being sponsored by the University Center Board, Community Involvement and the campus newspaper, the Alethea, as part of Student Activities Week.

Fellowships open at SIUE

The National Research Council is accepting applications for National Science Foundation (NSF) graduate fellowships, according to Sally Page, resources analyst for graduate studies and research at Southern Illinois University at Edwardsville.

Fellowships will be awarded for study or work leading to master's or doctoral degrees in the mathematical, physical, medical, biological, engineering, and social sciences, and in the history and philosophy of science.

The annual stipend for

graduate fellows will be \$3,600 for a 12-month tenure with no dependency allowances.

Fellowships will be awarded for periods of three years. The second and third years are contingent on the student's satisfactory progress.

Miss Page said the initial NSF fellowship awards are intended for students at or near the beginning of their graduate study. Generally, those eligible to apply will be college seniors or first-year graduate students.

The deadline for submission of applications is Nov. 26. Further information and pre-application materials may be obtained from Miss Page at the SIUE Graduate School, Room 2202, General Office Building.

Trailriders win awards in club fun show event

"Fun Show" winners at the Trailriders Saddle Club arena last week were presented trophies and ribbons. The event was among the most successful shows of the season, a club officer noted.

The Granite City riding club maintains a show arena and corral on Rock Road, between FA Route 151 and the Chain of Rocks Canal levee.

Receiving trophies after winning first place in 16 standard events were 13 riders. Three riders captured top awards in special events—Lori Chappell, riding Trigger, won the pony novelty race and Larry and A. C. Weldon, competing on Wide Eyes, scored top points in adult novelty contest.

Other first place award winners, the events and their mount are listed in sequence as follows:

Tammy Maeras, bareback pleasure and junior western pleasure, Bodie's Star; Lisa Foley, pony barrels and poles, Rusty Jack; Marlene Macrion, junior barrels and flag race, Gertie.

Pat Griffith, pony pleasure, Darrothy Heiney, country pleasure, Rock-Away-Lady; R. C. Buck, fox trotting, Sterling Maverick; Christa Sabo, senior western pleasure, Wimp's Wasp; Kathy Wood, Wimp's barres, Yogi Bear; Ricky Hernandez, open pole bending, Copperhead; and A. C. Weldon, plug race, Peanuts.

The course, secondary education 481-41, offers four college credit hours. Tuition for the four credit hours is \$50 and the class is free for those not seeking credits. Enrollment will take place on the first night of the class.

Drug course offered

G. W. Brown, assistant principal of Granite City High School-North will conduct a weekly drug use and abuse course for educators and interested community members in the Wiseman Room of St. Elizabeth Hospital beginning Wednesday from 7 p.m. to 9:30 p.m.

Four men file \$600,000 suit

A \$600,000 suit has been filed in Madison County Circuit Court on behalf of four men who allege they were injured when two trains collided on Granite City Steel Co. property May 28.

The suit was filed for Frank Ronco, Robert Moulton, Michael Arro and Richard Brown against the Terminal Railroad Association and John Falkner, a TRRA employee who allegedly was operating the TRRA train when it collided with a train on which the four men were riding.

The suit seeks \$75,000 for each defendant from the railroad and an additional \$75,000 per defendant from Falkner.

Accident suit for \$30,000 is filed

Granite City Police Detective Sgt. Joseph Nemeth has filed a \$30,000 suit against Mrs. Marie A. Ropac, 4041 Sara St., allegedly the driver of an auto which collided with Nemeth's unmarked police car at 12th Street and Madison Avenue Sept. 4.

The suit charges Mrs. Ropac "negligently and carelessly operated her vehicle so as to cause a collision with the vehicle the plaintiff was operating." A date for hearing the case has not been set.

Venice book review

Jeanne Galanis of St. Louis will review the book "Everything But Money," by San Levenson, at the Venice Public Library auditorium at 7:30 p.m. Monday, Oct. 1. There will be no admission charge.

Issued charter

The office of Michael J. Howlett, secretary of state of Illinois, has issued a not-for-profit corporation charter of the Apostolic Church of Jesus Christ of Granite City, 2604 Missouri Ave.

Charterers are Paul Arthur, Darrell Walker and Freeman Dever. Correspondent is Hubert R. Liles, 2604 Missouri Ave., according to the charter.

APARTMENT LOOTED
About \$100 cash, a black cape and a bottle of diet pills were stolen from the apartment of Della Smith, 2117 Washington Ave., while she was in the process of moving from the apartment, she reported at 4:30 p.m. Thursday.

The Schermer Bulletin
Our Pork Loin Sale last week was a big hit. If you didn't get in on it, we think we will have a "re-run" next week.
This week, the big news is "CHICKEN". At 39¢ a lb. Yes, that is right; and do you realize that within the last 3 months fryers sold for as high as 99¢ a lb.? Quite a drop. At any rate, we believe we are first with the new low price (which is our policy) and we hope you enjoy them.
We have also had some response to the Fingerhut Comforters that appeared last week. These are really a great value as they have sold all across the country for as much as \$19.95. Come in and see them and we're sure you'll like 'em.
Also in today's ad are the Men's and Ladies' sleeveless sweaters at just \$3.99 each. They really are valued to \$12.00 here, but they are going fast. We have about four dozen left and when they are gone that will be all.

Stewart County homecoming plans

The Stewart County Homecoming will be held at the J. J. High School auditorium Saturday at 7:30 p.m. and Sunday at 2 p.m. It was announced today by Wilson J. Carney, Granite City, the Illinois chairman.

Featured musical groups will include The Sunshine Gospel Singers and the Brake Family Singers from Clarksville, Tenn., and the Erin Quartet. The Rev. Clyde Brake is serving as the Tennessee chairman.

The public is invited to attend the two-day celebration, Mr. Carney said.

Emerson PTA meets Tuesday

Emerson Parent-Teacher Association will hold its first meeting of the 1973-74 school year at 7:30 p.m. Tuesday at the school, Mrs. Janette Klenke, president, announced today.

Emerson Principal Alfred Wilson will present the program tomorrow evening, speaking on the subject "The Newspaper in the Classroom: A Review and Preview."

Wilson will discuss the growth and development of newspaper use as curriculum, according to Jack Farrow, PTA program chairman and a lower intermediate teacher at Emerson School.

Faculty members will be introduced at the meeting and also will provide refreshments during a get-acquainted social hour, Mrs. Klenke said.

Plans for Tuesday's general session were completed last week by the PTA executive board. Special projects and programs and a tentative budget for the new school year were reviewed.

Mrs. Norma Bennett, treasurer, and Farrow were appointed to represent the unit at the Granite City PTA Area Council's potluck dinner and program at 6:15 p.m. Thursday at Lake School.

Mrs. Lillie Paul, membership chairman, said preparations are being made to actively seek new PTA members. Dues, costing \$1 per person, will be collected at tomorrow's meeting, she added.

Reports were given by Mrs. Sheila McLaughlin, secretary, and Mrs. Helen Kettelhut, public relations officer.

During the 1973-74 season, Emerson PTA will meet bi-monthly. General membership meetings are scheduled on the second Tuesday evening in November, January, March and May, Mrs. Kettelhut said.

James Mounts honored

Mr. and Mrs. James Mount, 2216 Bern Ave., were honored on their 25 wedding anniversary at a reception given last week in the Red Room of Travelodge by members of their family.

Hosting the affair were Mr. and Mrs. Dan Mount of Edwardsville, a son and daughter-in-law, Mr. and Mrs. Klenke said.

Plans for Tuesday's general session were completed last week by the PTA executive board. Special projects and programs and a tentative budget for the new school year were reviewed.

Mrs. Norma Bennett, treasurer, and Farrow were appointed to represent the unit at the Granite City PTA Area Council's potluck dinner and program at 6:15 p.m. Thursday at Lake School.

Alan Saathoff of Granite City, a son-in-law and daughter of the honorees Mr. and Mrs. Tracy Lakin, a brother-in-law and sister of Mrs. Mount.

About 100 guests attended the party and a buffet supper. Table appointments were in silver and white, with large floral arrangements as centerpieces.

Dental assistants resume meetings

Mississippi Valley Dental Assistants Society held its initial meeting for the 1973-74 year last week in the offices of Doctors Melvin Schummeier and Henry Elsbach, 2305 State St., Alton.

Mrs. Beverly Billeu of Wood River, president opened the meeting and announced Dr. Schummeier and Dr. John M. Beatty of Edwardsville will

serve as the Society's advisors. Mrs. Betty Williams of Granite City spoke on office routine as part of the evening program.

Refreshments were served to 16 members. The next meeting will be held Oct. 16 at the Lewis and Clark Restaurant, the permanent site of all monthly meetings.

Birthday club honors hostess

The Hope Birthday Club met last week at the home of Mrs. Neva Lucas, 3804 John. Glen Drive, to celebrate the birthday of the hostess.

A covered dish luncheon was served at the noon hour and the afternoon was spent at games. Prizes were awarded to all participants.

Among the guests were Mesdames Opal Blevins, Mavis Moore, Janie Goad, Maggie McCoy, Virginia Parker, Joan Meyers, Phyllis Ryan and daughter, Callen, and Lee Moore and son, Billy.

Service couple feted at supper

Mr. and Mrs. George Birdsong, 2708 Cayuga St., entertained at their home last week in honor of their son and daughter-in-law, Technical Sergeant and Mrs. George M. Birdsong.

The serviceman and his wife were spending some time here from Lowry Air Force Base in Colorado, where the former is stationed. They returned to Colorado during the weekend.

A buffet supper was served by the hosts to the Rev. and Mrs. Mac Schriber and children, Maxie, Marsha, Janie, Judy and David, Mrs. Gary Elkins and daughter, Lisa, Mr. and Mrs. Harold Gillison and daughter, Sherri Sue, and the honored couple.

MRS. WILMA GILLHAM TO UNDERGO EYE SURGERY
Mrs. Wilma Gillham, 2109 Bryan Ave., entered Barnes Hospital, St. Louis, today and will undergo major eye surgery Tuesday. She expects to remain hospitalized about two weeks.

THEFT FROM TRUCK
Two large cartons, one containing a new color television, were stolen from the tractor-trailer of Richard Ambuhl, 2537 Paul Ave., parked in the 3000 block of Edwardsville Road, he reported at 7:05 a.m. Friday. The contents of the second carton are unknown.

CONTEST WINNERS at the Granite City School of Beauty Culture, whose styling techniques gained top points for creating the new soft air waved look. Student operators, standing, left to right—Miss Julie Marzuff, first place; winner, Mrs. Vada Krajnovich, second place; and Ron Bittick, third place. Holding trophies are the models, from left—Mrs. Linda Blankley, Mrs. Donna Corrie and Miss Peggy Eubanks.

Student trend style winners

Twenty students at the Granite City School of Beauty Culture, whose styling techniques gained top points for creating the new soft air waved look. Student operators, standing, left to right—Miss Julie Marzuff, first place; winner, Mrs. Vada Krajnovich, second place; and Ron Bittick, third place. Holding trophies are the models, from left—Mrs. Linda Blankley, Mrs. Donna Corrie and Miss Peggy Eubanks.

Taken from the 1973 "Impressions" theme, the styles are known as "The Scamp, Amp, Camp and Vamp." The contestants were judged on adaptability, originality and technical execution.

Winners of trophies were Miss Julie Marzuff, first; Mrs. Vada Krajnovich, second; Ronald Bittick, third and Mrs. Marilyn Robertson, fourth.

Students awarded silver razor pins for scoring a minimum of 85 points included Misses Trudy Slone, Karen Rotter, Barbara Kissel, Debra Lucas, Debra Bird, Janet Condray, Karen Couch, Betty Dunn, Susan Manners, Sue Ray and Dorothy Aaron; and Mesdames Joyce Edwards, Cheryl Herrin, Betty Lasky, Margaret Luffman and Nadine Marcus.

OBSERVE BIRTHDAYS
A double birthday celebration was held in the home of Mr. and Mrs. Eldon Geske, 3012 Edgewood Drive, Thursday for their son, Michael, on his seventh birthday and their niece, Laura Uley of East Alton, who was nine years old. A family barbecue supper was followed by a dessert course later in the evening. The honorees received many gifts.

Guests included the hosts' daughter, Tonya, maternal grandparents, Mr. and Mrs. Gilbert Richter, paternal grandparents, Mr. and Mrs. Sam Geske of Hardin, Ill. and aunts and uncles, Mr. and Mrs. Robert Uley and son, Lee, and Mr. and Mrs. Mike Barnett of Brighton.

VITAL PROGRAMS will produce new members, Carl E. Mathias, center, tells the Granite City Business and Professional Women Club at its membership dinner meeting at Charlie's Restaurant. From left to right are Mrs. Alma Brown of Marissa, District 14 president; Mrs. Catherine Burton, Collinsville, first vice-president, Illinois Federation of Business and Professional Women's Clubs; Mathias; Mrs. Lillie Marzuff, GC club president; and Mrs. Shirley Adams, membership chairman.

Spur membership with civic involvement, BPW club told

By VALERIE EVENDEN
Press-Record Staff Writer

An active club, performing significant service is the key to success in recruiting new members, Carl E. Mathias, area service manager for Illinois Power Co., told the Granite City Business and Professional Women's Club last week.

Speaking at the group's annual membership dinner at Charlie's Restaurant, Mathias suggested adopting two or three community-oriented projects and telling prospective members—"these are the things we hope to accomplish within the next 12 months."

Mathias has led successful campaigns as general chairman of United Fund drives and recruiting programs as president of the Cahokia Mounts Council, Boy Scouts of America, among many other civic activities.

"You have to be where the action is—you have to do things to recruit and hold members," he told about 75 business women at the dinner.

"You can seek ways to get things changed in many areas—take a look around you at the community. Are you as a group involved?" the speaker asked.

"You have seen youths hanging around various places—what are you doing about this? Maybe you should find out if we need different recreation facilities for youth in our community."

Mathias continued, "Take a good look at our city government. In what we have what you really want? Should you get city officials to think bigger... encourage more business improvements."

"I do believe our officials want to be the best thing for the community. But, you should find out if they are responsive to the needs of the people."

"Have you found what is going to happen in the future to our school system? By the end of this year we'll be into deficit financing."

"What are we going to do about it—cut programs, reduce services, what? We should go beyond this one to study these problems in advance and to say what should or should not be the result."

Mathias commented about problems confronting the creation of a small shopping area in downtown Granite City.

"This is the time you should let someone know what you would like to see happen. What kind of shops you would like and use... more specialty shops, for instance."

"Are the clerks friendly in downtown stores?" List these various things as a club and send the information to the Retailers Association or the Chamber of Commerce," Mathias said.

"Get programs that others want to be a part of and this will be your key to a successful membership drive and success as a club," the speaker concluded.

Mathias was introduced by Mrs. Shirley Adams, membership chairman.

Special guests at the dinner were Mrs. Catherine Burton of Collinsville, vice-president, Illinois Federation of Business and Professional Women's Clubs, and Mrs. Alma Brown of Marissa, IFFBWC, District 14 president.

Candlelight initiation ceremonies were conducted for eight new members at the dinner.

Inducted were: Mrs. Regina Jones, 2244 Carlson, GC, special education (EMH) teacher at Alton Senior High School; Helen J. Law, 2189 Harrison Ave., clerk-typist, U. S. Army Aviation Systems

Command, St. Louis; Lois Wetton, 2139 Princeton Drive, owner of Lois' Fashion Hat dress shop; Helen M. Oberlin, 2144 Harrison Ave., accounting clerk (retired), U. S. Army Aviation Systems Command, St. Louis.

Dorothy Branz, Fairview Heights, printer, Granite City Press-Record and first vice-president Illinois Conference, International Typographical Union; Genevieve B. Madell, Mercer Drive, bookkeeper, Frelich Inc. Garment Factory; Lillian M. Naevs, 2004 Garfield Ave., secretary, Radio Station WGN; and Geraldine Wagner, 1625 Mitchell Ave., registered nurse, General Steel Industries.

As part of a National BPW recruitment awards program, Mrs. Ann Burton and Mrs. Mary Burton were presented with shamrock jeweled pins in recognition of each enlisting three new club members.

A "Shower of Violets" awards program also is planned during 1974 to honor retired club members who recruit a new member, Mrs. Adams explained. She said those winning the latter award will be feted at a dinner later this year.

In brief remarks to the club,

Mrs. Catherine Burton said the National Business and Professional Women's organization has a total membership of 168,000, making it the largest group of women in the world. She said the Illinois BPW federation expects to record more than 11,000 members this year.

Mrs. Burton noted that the Granite City club is considered one of the "best clubs in the state" and urged members to continue to support their action programs.

Mrs. Lillie Marzuff, BPW president, was in charge of the business session. She announced that Mrs. Rosemary Basden and Miss Annell Smith will represent the club at the "BPW Action Conference" at the Chase Plaza Hotel, Oct. 13-14.

Tickets are now available for the annual BPW fashion show, scheduled to take place Sunday, Oct. 14 at 1 p.m. at the Polish Hall in Madison. Mrs. Judy Stille and Mrs. Marilyn Lunsford are serving as co-chairmen. It was reported.

Local events are being planned in observance of National Business and Professional Women's Week, Oct. 21 through Oct. 27, Mrs. Tedlock, chairman announced.

Church Women United plans forum Tuesday

Quadrant Church Women United will conduct its September forum on the topic "What Are Church Women Saying and Doing?" at 7 p.m. Tuesday at St. John United Church of Christ, 2501 Nameoki Road, according to an announcement by Mrs. Mary Ellen Rupp, president.

Purpose of the forum meeting is to present members to evaluate current projects and discuss alternatives in three separate categories, Mrs. Rupp said.

Present projects sponsored by the group include a blood bank program led by Mrs. Gayle Gargac; community closet, Mrs. Joyce Schrader; newborn layettes, Mrs. Ellen

Ehler; Friends in Learning, Joann Summerford, transportation aid, Helen Richardson; CROP, Delores Vogeler; and assistance at the Tiny Tim Easter Seal pre-school.

Discussions are planned tomorrow relating to new areas of the organization's endeavors, Mrs. Rupp said. Mrs. Sue Boag will speak on pre-school learning and parents for special education and Mrs. Ellen Ehler will review nursing home visits.

Deviations will be presented by the Rev. Carl Eschenbrenner, assistant pastor of the church. Refreshments will be served by women of the host church after the meeting. The public is invited to attend the forum.

Lake PTA starts season plans open house event

Committee leaders were appointed and introduced and future projects were planned by Lake School Parent-Teacher Association last week at its initial meeting of the new school year.

Chairman named for 1973-74 are Mrs. Cathie Bledsoe, room mothers; Mrs. Carol Millard, hospitality; Dale Phelps, membership; Mrs. Pat Nix, ways and means; Mrs. Phyllis Wiggins, program; Jim Nott, safety and Mrs. Brenda Withers, yearbook.

Faculty members were introduced by the principal, Edward Govea.

The meeting opened with members reciting the pledge of allegiance, followed by the PTA prayer read by Mrs. Eleanor Bonatt.

Govea announced that Lake

School will host the Granite City Area PTA Council meeting Thursday opening with a potluck supper at 6 p.m. Theme of the program will be "The Exceptional Child."

Other plans include an annual cake sale, beginning Oct. 5, with Lake students selling candy for two weeks under the direction of Mrs. Nix, ways and means chairman.

Parents were invited to attend an open house at the school Oct. 22 to meet the teachers, inspect student work and visit classrooms.

Baptist Women to visit shelter home
The Baptist Women's group met Thursday morning at Central Baptist Church and made plans to visit the Alton Shelter Care Home on Oct. 4.

Mrs. Ann Turner, president, opened the meeting and gave the devotional topic, entitled "Prayer."
Also discussed were visits by group representatives to church members who are ill. Those attending were Mesdames Elizabeth Knight, Stella Harrison, Harriet Hall, Cora Cruise, Ida Kilmer, Dorothy Miller, Lois Bowers and Lucille Cahill.

School faculty introduced

The first meeting of the 1973-74 school year for McKinley PTA was held in the school cafeteria with President Cathy Eggeron presiding and leading the group in the pledge of allegiance, followed by the PTA Prayer by Lyn Frangoulis.

Mrs. Rosalee Buente was appointed by the PTA to serve as recording secretary as Gayla McGraw resigned. Officers and chairmen for 1973-74 introduced were: vice-president, Lyn Frangoulis; secretary, Rosalee Buente; treasurer, Cleo Ulm; legislation, Ray Buente; safety and health, Gertrude Luebben; membership, Charlotte Pyles; hospitality, Jackie York; Area Council, Tom Eggeron; ways and means, Sadie Bringer.

The budget for 1973-74 was presented and adopted and it was announced a candy sale by the entire school will begin Wednesday.

Mrs. Gertrude Luebben introduced the school patrols for this year. They are Steven Wright, Mark Singleton, Kevin Lewis, Cheryl Basden, Denny Conway and Marty Hatch.

Gary Pfroeder, principal, introduced the faculty present, including Mrs. Brenda Heinrich, Mrs. Mary Holloway, Miss

Linda Treadwell, Mrs. Irma Sanders, Mrs. Leila Jones, Ruth Wojcik, Mrs. Diane Fraley, Phillip Smith, Casimir Krakowski, Miss Cleo Ulm, Mrs. Gertrude Luebben, Mrs. Mary Moran and Mrs. Joyce Hicks.

An Area Council meeting will be held Thursday, it was reported.

The PTA purchased mem-

bership from KETC, Channel 8, for the school and a trial subscription of a daily newspaper for class participation has been authorized by the PTA. The membership was asked that if anyone had a 19-inch or larger black and white television the school will be happy to receive it for class use.

Refreshments were served by the executive board.

Nu Zeta topic—Environment

A dessert course was served by Mrs. Cook to Mesdames Martha Delevski, Cathy Farnback, Donna Kagy, Barbara Jones, Bobby Lewis, Linda McKeehan, Nancy Michaels, Jeanette Morris and Miss Marilyn Lumpkins.

No Zeta will next meet at the home of Mrs. Ellen Mae Curtis.

PILFER COIN BOXES
Thieves took \$50 from the Helpee-Solles Coin Laundry, 321 Madison Ave., Madison, and \$26 from the Sunbright Laundry, 608 Madison Ave., Madison, last week. A tool was used to pry open the cash boxes on the washing machines. Robert Green reported the thefts to police.

Nameoki Woman's Club hears grant winners

Students who were granted summer scholarships by the Nameoki Woman's Club provided the program at the club's first meeting of the season last week, held in the Nameoki Recreation Center.

Tim Holt, Alice Cotter and Patty Gerlach attended a music camp at Southern Illinois University at Carbondale under sponsorship of the club. The students reviewed activities conducted at the camp study series and Miss Gerlach presented a flute solo.

Another student, Tia Toth, recipient of the club's art scholarship, attended Alton Art School. She displayed a number of paintings she had completed at the summer school.

Hostesses at the initial meeting were Mesdames Harriet Byers, Carrie Jansen, Maxine Maas and Miss Lily Dod, who served a luncheon.

Members agreed to change their summer scholarship policy with the opening of a second high school. A music scholarship will be awarded this year to a student at one high school and art scholarship to a pupil at the other building.

Granite City Press-Record
(Mon., Sept. 24, 1973) Page 13

Plans were made to alternate the scholarships the following year.

Other members present were Mesdames E. M. Arnovitz, Emmett Beeler, Branding, Harold Caldwell, John Harsh, Hugh Kraus, John Leitz, Louis Neek, Sam Meyer, Emil Mueller, James Parmley, Ted Schaefer, Otto Shelton, Herman Steinberg, James Stuart, Taylor, Irby Todd, Adolph Weiss and Miss Lucinda Huck.

Guests were Mrs. Alma Irvin and Mrs. Dorothy McCauley.

AUTO OVERTURNS
Peter Nichols, 18, of 2339 Pontoon Road, was injured when his sports car went off Pontoon Road at Primes Avenue, at 11:30 p.m. Thursday, skidded 90 feet through several lawns, overturned, slide 30 feet on its top, damaged a tree and came to rest upside down in a yard. Nichols said an oncoming car forced his auto from the pavement. He declined medical treatment.

Comment and analysis

Sept. 24, 1973

Attitude taken by governor, his aides and some state boards is that legislature's intent on colleges and other topics no longer matters

The amendatory veto clause of the new Illinois Constitution is an issue sufficiently broad and complex to justify extensive, in-depth study and evaluation. We'll endeavor to provide some of this information to readers between now and the 1974 election, when Illinoisans will approve or reject an amendment to the veto procedure.

In the meantime, flaws in the present amendatory process are becoming glaringly visible.

The whole concept of lengthy legislative study, debate and voting seems jeopardized by the ability of a single individual to wipe it away and rewrite the product with a few strokes of his pen.

Granted, the individual is the governor, who has as many veto powers as a dictator. But the legislative process is enormous—General Assembly members each June have bills stacked several feet high on their desks. Any governor cannot duplicate the manhours, and often has such limited time that he accepts the amendatory wording of a staff aide.

Whether that staff aide has listened to all sides and reviewed all of the committee hearing testimony is doubtful. And even if he has, would that aide be as responsible in his conclusion as the joint effort of experienced, elected legislators who had hammered out a reasonable compromise?

The subject comes into sharp focus in such matters as the attempt to create a new junior college district to serve the Quad-City area.

By siding with non-elected

Illinois Junior College Board staff members in placing their own policies above the wording of Illinois statutes, Gov. Daniel Walker has negated the clear intent of the General Assembly. As a result, no new district seems possible here.

We wonder if legislators can feel anything but frustration over this chain of events. A similar pattern of circumventing and rewriting their decisions is occurring in a wide range of state issues; the junior college situation is only one example.

Another governor, George Wallace of Alabama, remains controversial in many of his views, but one of his contentions is now seen by many Illinoisans as having immense validity: "Beware of bureaucrats carrying briefcases filled with guidelines they have written."

It is not democracy for any arbitrarily-arrived-at set of rules to replace the law of the land or state, or for an appointed administrator to be granted supreme power merely because he is convinced that "I know what's best for the people."

We shudder at the Illinois governor's easy acceptance of this state of affairs in his amendatory veto message of Sept. 15: "Since the board intends to continue this policy, it does not appear that the (legislative) changes would serve any purpose."

Only slightly simplified, this would seem to say, "It does not appear that the legislature serves any purpose."

Visiting Nurse Association aids cause of public health in this area

(One of a series on the Tri-Cities Area United Way.)

Visiting Nurse Association—founded in 1918—has been managed by a part-time and intermittent professional nursing service to patients in their homes.

The Visiting Nurse Association has a board of directors interested in the agency and its work in the community; it is managed by a professional staff, experienced in the field of public health. It is guided in its medical policies by a Medical Advisory Committee.

The VNA is the certified agency to provide Medicare benefits. It also

participates in the Illinois Department of Public Aid program to give service to its recipients.

Its 1972 services included 477 home health visits, 2,060 nursing visits to 332 patients, 286 physical therapy visits, 37 speech therapy visits and use of equipment at a cost of \$966.

Pentagon misses recruiting target

The Army is falling only 76 per cent of its recruiting goal under the volunteer concept, and this means it is in trouble. There are many reasons why it is in trouble, along in lesser degrees with the other military services, and one of the seldom mentioned but important reasons is that it too often has a bit of trouble in keeping its promises.

This policy of "promise now, forget later" is a problem many years and it may be reflected in the recruitment figures. The highly intelligent men simply are not enlisting, or, in the case of officers, are not taking commissioned active duty tours. July figures show 51 per cent of enlistees had intelligence scores below what once was a minimum standard.

Congress runs hand in hand with the military services in neglect of recruiting promises as it goes on budget cutting expeditions whenever the tal-lets stop flying. Several recent incidents reflect not only this neglect of commitments but lack of compassion for the loyal men who have served long and well.

Capt. David Thurman, an infantry officer from Sacramento, Calif., is one victim of the Pentagon's shortsighted-

ness. Thurman recently was RIFed. RIF means reduction in force—kicked out—and it happens to lots of officers when the computers of Congress and the Pentagon say "cut down."

How the computer picked out Thurman would be difficult to comprehend. He is a Vietnam veteran, decorated for valor with the Silver Star and the Bronze Star—planned to be promoted to major by the time he was 30, and he was promoted to Vice President Spiro T. Agnew.

Despite these decorations and an exemplary record over nearly seven years' service Thurman has been kicked out of the Army. There are 4,900 other officers being tossed out of a career they thought was permanent, and a big share of those were top men in their grades.

The callous approach of the Army to this whole matter is readily apparent and has a "trickle down" effect that tells many thousands of fine young men to stay clear of such unfairness—thus the less than satisfactory record in attracting top men to the services.

LT. Col. Robert Schuler, an Army information officer at the Pentagon, sought to ex-

plain RIF. "A RIF is a numerical thing," he said. "Sometimes you have really good people who have to be released." That settles that.

Another neglect of promises doesn't do any of the military services any good these days. Hundreds of thousands of now retired soldiers and sailors were told for many years before and during their early service how well they were going to be treated after they did their 30 years, or 25, or 20, or whatever their career span was.

First, the promise of retirement pay linked to active duty pay was broken.

There has been much agitation for what the military calls "recompensation"—a restoration of what these three say is rightfully theirs. The Pentagon and Congress dismiss the subject generally with, "Too expensive." This is another case of the individual soldier keeping his promise, but the government finding a loophole. Medical, commissary and other post-service rights are gradually eroding, too, and the Washington cry is to cut more and more—with no regard to promises that induced many men to take on a military career.

Starting next January, the system will be used as an aide in drafting appropriation bills. Eventually it will be used to update and, perhaps, replace the bulky legislative synopsis and digest which, on the average, is one or two weeks behind.

Already, according to program coordinator Dain Brown, the lawmakers are considering the possibility of making the terminals available to the general public. He said his office has received numerous inquiries about subscription service from lawyers, newspapers and other organizations throughout the state.

If made available through legislative approval, Brown said terminals would hopefully cost subscribers no more than the rental fee and normal charges for telephone line use.

Ultimately, Brown said he would like to clear the legislators' desks of "mountains of paper work," and provide each member with a simplified terminal. Instead of thumbing through stacks of legislation, often rising as high as three feet on each desk, Brown said it is possible to provide the same information on the computer and make it available in seconds.

Another future goal is complete and updated storage of all Illinois laws and statutes. According to research compiled by program employees, Illinois ranks number one out of the 50 states in the use of electronic machinery to record legislative information. Brown indicated the state may even surpass the federal government in its use.

So the next time you visit the Statehouse and wish to find out what your favorite lawmaker has been doing, dig up a terminal and pull up a chair. Type out LRBILL 01-0321-01, push the appropriate button and hope for the best.

If all you get are question marks, wait patiently and try again. Whatever, don't throw "the damn thing into the wall"—you may end up paying for it the rest of your life.

CAGY COMPUTER --- Mary Kelly, a pretty legislative intern in Springfield, keeps tabs on bills through the use of Ultronic Videomaster 770, a sophisticated computer.

Capacity problems at several busy divisions of Smith Corp.

A. O. Smith Corp. is faced with the paradox of record sales and earnings for the first nine months of 1973—combined with unsatisfactory profits due to lack of production capacity and the impact of price controls.

L. B. Smith, chairman and chief executive officer, said last week that third-quarter earnings—traditionally the low point each year because of the annual automotive industry model change—were further hurt because of a lack of capacity in that division.

A. O. Smith is the world's largest manufacturer of auto and truck frames and its facilities include a major auto frame plant in Granite City.

Because of the capacity problem, the model change was

more difficult than normal this summer, Chairman Smith said.

"With the model change period behind us, and additional press capacity coming on stream soon, the Automotive Division's operating results should show substantial improvement in the fourth quarter," he said.

Smith forecast profits in the third quarter of \$750,000, or 15 cents per share, compared with \$200,000 or five cents per share in the same period last year.

He pointed out that while third quarter profits are expected to be ahead of a year ago, the third quarter of 1972 was hurt by strikes in the elevator industry, with the company's Armor Elevator subsidiaries suffering as a

result.

Smith estimated profits for the nine months at about \$1,750,000, or \$2.38 per share. This compares with profits in the first nine months of 1972 of \$7,850,000, or \$1.69 per share.

Third quarter sales will be in the neighborhood of \$142 million, compared with \$106 million in 1972. Sales in the first nine months of 1973 will be approximately \$465 million compared with \$389 million a year ago.

Extremely strong demand for the company's automotive parts, residential water heaters, Harvestore livestock feeding systems, elevators and electric motors lead the sales surge so far in 1973, Smith said.

Major expansion programs are under way for the automotive parts and Harvestore livestock feeding systems product lines, Smith said, with the beneficial effects of the automotive expansion to be felt in the near future.

A. O. Smith Harvestore Products, Inc., a subsidiary, is running at full capacity and for the first time in its history has a substantial backlog. This subsidiary appears headed for another record year, in both sales and profits, although the capacity problems have held nine-month profits to about 1972 levels.

During the third quarter, the subsidiary expanded its manufacturing facilities to relieve some of the capacity problem. It also broke ground for a new plant of much larger capacity which should be operational by 1975.

The company's Armor

DEMOLITION WORK at Niedringhaus United Methodist Church of the building that housed church offices and several classrooms, is the final phase of the

current construction program. After the house is leveled the area will be landscaped as a courtyard to beautify the church grounds.

Granite City Press-Record

Church job nearing end

Marking the final phase of the building program of Niedringhaus United Methodist Church was the demolition on Friday of the church office and educational building to make way for a landscaped courtyard, according to the Rev. Roy Baugh, pastor.

The church office has been moved into Wesley Hall adjoining the new church on the east side, facing 20th street. The destroyed building originally was used as the church parsonage before the membership purchased the present pastor's home.

Plans are being completed to lay the cornerstone at 10:15 a.m. on Sunday, Sept. 30, and consecration services are planned at 3 p.m. on Sunday, Oct. 28.

The first worship service will be conducted at 10:15 a.m. Oct. 28 with dedication ceremonies in the afternoon. Bishop Lance Webb of Springfield will officiate, assisted by the Rev. Paul Sims, a former pastor of the church.

Granite City Mayor Paul Schuler will be among the special guests.

Old new or middle aged

Any home has a brighter future with Electric Heat

Building a new home? You'll be wise to plan it for electric heat. The main reason, of course, is that electric heat provides all the comfort you could ever expect from a heating system: instant response, room-by-room temperature control, and quiet, sun-like warmth. From a purely practical standpoint, chances are an electric heating system will conserve space and save on installation costs.

But if your home is middle-aged or even old, you can still give it a new lease on life by converting to electric heat.

For any home, proper insulation is essential to your comfort and to conserve energy and save on heating and air conditioning bills, no matter what fuel you use. For facts on electric heat for your home, new or old, call our Sales Representative.

No immediate action in gas cutback plan

Illinois Power Co. announced Friday it is filing with the Illinois Commerce Commission a request for an order authorizing a procedure to cut back on gas service to its customers at some future date if it is necessary.

There is no immediate danger to service for firm customers, the company said, but the procedure, if approved, sets forth an orderly curtailment plan.

The curtailment would protect service to homes and public places by curtailing interruptible customers and the industry first.

The plan has nine priorities, with residential and small commercial customers in the

Granite City Press-Record
Page 24 Mon., Sept. 24, 1973

first priority and most interruptible customers in the ninth priority.

It is similar to one being used by the Federal Power Commission to allocate gas supply to Illinois Power.

C. W. Wells, vice president, said, "We do not expect to use this plan in the near future and hope that we never use it. But our customers need to know what we would do in case our supply is curtailed to the extent that we must limit service to interruptible customers."

"Industrial customers can't plan if they don't know where they stand. Residential

customers need to be reassured that everything possible will be done to protect service to them."

The filing would also establish new priorities for the extension of new gas service.

These new priorities follow more closely the FPC guidelines and the IP curtailment plan being requested.

The filing further sets a base period to be used to restrict gas use to what it has been in the past. No customer is allowed to increase his gas use above what he used during the base period.

Other provisions would allow IP to reduce or terminate existing interruptible gas service under certain shortage conditions.

Oppose Scout merger

A proposed merger of the Cahokia Mound Boy Scout Council with three other southern Illinois councils and the Greater St. Louis area council—the second such attempt in two years—was unanimously opposed by members of the Camping and Activities Committees of the local council last week.

The two committees went on record as opposing the merger on a motion by G. Rollin Heim, council commissioner.

Melvin L. Gilie, council president, told W. W. Strang, camping chairman, "I am definitely opposed to forming a larger council in any form. I do not believe the merger is in the best interests of our boys or the scouting program."

It is the second time that regional representatives of the Boy Scouts of America have tried to merge the four Illinois councils which have headquarters in Wood River, Granite City, Belleville and Herrin with the greater St. Louis Council.

"I have attended several formal and informal meetings on the proposed merger and I fail to see any advantage for our local scouts and their leaders. I further cannot see us assuming part of the deficit of the other Illinois councils. We have enough to do to finance our own way," Dr. Thomas Layloff, council activities chairman, commented.

"From a management standpoint the proposed centralization would be a financial advantage, but I know the world's largest insurance company is doing its best to decentralize their operation," Dr. Layloff added.

The forthcoming Council camp-meet, "La Adventure de Octobre," the "October Adventure," scheduled Oct. 12, 13 and 14 at Cahokia Mound State Park, was discussed in detail. Plans call for involving the new Leadership Corps within the local troops at the event.

After a review of the immediate past summer camping season the committee decided

not to increase the camp fee next summer.

It was noted that 17 scout troops already have signed for the 1974 Camp Sumner camping season which will begin June 16, 1974.

Jeff Tolliver of Venice, vice-chief of the Cahokia Lodge, said he believed the lodge was the local Arrow lodge will launch its 1974 camp promotion campaign at the October Camp-meet.

He also reported that at the National Arrow conclave in Orlando, Fla., he learned that one of 12 out of 460 lodges in the United States to receive the E. Urner Goodman award for effective camp promotion.

Maurice Logan, 58, dies

Maurice Logan, 58, 2450 Kilarney Drive, was pronounced dead upon arrival at St. Elizabeth Hospital at 1 a.m. Sunday. He was taken from his home to the hospital by ambulance.

A 55-year resident of Granite City, Mr. Logan was born in Dixon, Mo.

He worked 38 years at the former Union Station and Refinery Co., and for five months was employed as a custodian at Central Junior High School and more recently at Granite City High School.

Mr. Logan was a past commander of Tri-County Legion Post 113, a past president of the Southern Illinois Credit Union, a director of the Illinois Credit Union treasurer of Process Credit Union and a past president of the Grain Millers Union at Union Station Co.

Surviving are his wife, Mrs. Ruby Logan; one son, James Logan of Granite City; a brother, John Logan of Detroit, Mich.; one sister, Mrs. Betty May of Granite City; and his mother, Mrs. Lydia Logan of Granite City.

Funeral arrangements are given in the obituary column.

MAURICE LOGAN

Academy for prison guards

A training academy for state correctional personnel and the appointment of its superintendent were announced Friday by Gov. Dan Walker and Department of Corrections Director Allyn R. Siegfried.

The facility, which will first train guards, is part of a program instituted to improve Illinois' prison system.

Jesse L. Maghan, 37, supervisor of training for the Louisiana Department of Corrections, will begin his duties as academy superintendent Oct. 1. His salary will be \$22,044 per year.

The training is expected to begin in mid-October. It is being made possible by an initial grant of \$300,000 from the Illinois Law Enforcement Commission.

Fund for real estate victims

Gov. Dan Walker on Friday announced his approval of House Bill 707, which creates a Real Estate Recovery Fund to compensate consumers defrauded by unscrupulous real estate salesmen.

The bill also establishes sanctions against panic peddling, blockbusting and other discriminatory real estate sales practices.

FATAL 55-70 CRASH

DeMolays elect new officers

William M. Todd, son of Mr. and Mrs. William S. Todd, 136 Arlington Drive, was elected as master counselor of James Stuart Chapter, Order of DeMolays, last week at the Masonic Temple, He succeeds A. H. "Tim" Todd.

A sealer at Granite City High School-North, he is a member of the National Honor Society and the Spanish Club. He moved here in 1972 from Marion, Ill., where he was active in Coal Belt Chapter, Order of DeMolays, and where he served as junior counselor.

Other officers elected were J. Mark Swigert, senior counselor; David M. Epping, junior counselor; Anthony P. Tsigras, Chaplain; and Timothy A. Swigert, treasurer.

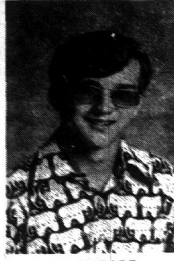

Elected and appointed officers will be installed in a public ceremony on Oct. 16th at the Masonic Temple.

During the business meeting conducted by Nodd, plans were made for the sale of "Funds-A-Poppin'" popcorn on the weekends of Sept. 29 and Oct. 6 with proceeds going to the Masonic Temple renovation project. Wally Todd was appointed chairman of the bowling activity.

The master counselor announced the local chapter will represent the district in a Bi-District Flag Football Tournament to be held at the end of the year.

Practice for flag football was set for 10 a.m. Saturday. Those wishing to play are to meet at the High School-South tennis courts.

The next meeting of the DeMolays will be Oct. 2 when the initiatory and DeMolay degrees are to be conferred on a class of candidates by the present line of officers.

WILLIAM TODD

Soybean, corn harvest slow

Warren W. Bundy, University of Illinois extension advisor for agriculture, said today that "soybean and corn harvest progress was very slow last week in Madison County. Most fields were not quite mature enough to harvest."

"About four percent of a soybean acreage is harvested," Bundy reported.

"Most of the very limited corn harvest was to open up fields and to harvest a small amount of high-moisture corn needed for immediate feeding to livestock."

"Wheat seeding also is under way in Madison County. It is safe to plant Hessian fly resistant varieties such as Abe, Arthur 71, Benhar and Knox 62 now. Varieties susceptible to the fly should be seeded after the fly-free dates of Oct. 7 to 9."

Amendatory veto given open space land bill

Springfield—Gov. Daniel Walker has returned to the legislature an amendatory veto on a bill which would establish the open space land acquisition act to assure open, recreational development through the state.

A bill appropriating \$3.7 million to implement the act has already been signed by the governor.

In returning the bill to the legislature, the governor gave praise to its basic aim, providing state assistance to communities wishing to acquire space nearby for local use but indicated the bill's language should be modified to be sure it achieves the objectives.

Specifically, the veto asks to define "acquisition" so it includes easements and other property interests which are less than total, outright ownership, where such limited control may be all that is needed.

The bill also would be altered to limit expenditures only to acquisition of property, with development left to the municipalities.

Under the bill, the state would provide matching funds

on a sliding scale to reimburse local communities for money spent to acquire such open land, with emphasis to be put on areas with high population density or where mushrooming development threatens to engulf remaining open lands unless they are acquired and protected.

Originally, the appropriation request was for \$25 million, a sum later modified to \$5 million, and amended again by Gov. Walker to \$3.7 million when the bill was approved.

If the legislature adopts the amendatory veto during the upcoming October session, implementation of the act can begin at once.

However, if the legislature should fail to act on the amended bill during the October session, the appropriation will be lost, according to Bill Foster, legislative liaison in the conservation department.

Foster added that the amendments appear to be minor and chiefly technical and said he foresaw no difficulty in securing adoption of the amended bill during the October session.

Orville Hodge regains real estate license

Former Illinois State Auditor Orville Hodge said today he hopes to re-establish a real estate business in Granite City.

Hodge, 69, regained his license as a real estate broker Thursday from Barringer, director of the Department of Registration and Education. The action was taken upon recommendation of the Illinois Real Estate Examining Board following a hearing last week.

"I am very pleased with the examining board's decision," Hodge told the Press-Record.

His decision was 100 per cent of the board.

"I haven't made any firm commitments, but I do have preliminary plans to re-establish the Hodge Agency in Granite City which I operated for 35 years," the former state official said.

Presently, Hodge is employed as the local salesman-representative for the Nixon Buick agency in East St. Louis. He also has worked here as a hardware store clerk and as a truck salesman.

Hodge was convicted in 1956 of embezzling state funds while chief fiscal officer. He served six years of a 12-year sentence

before receiving a parole in 1962.

He commented this morning, "I have repaid all of the debt charged to me."

Hodge added that the amount was "nothing like the \$1 or \$1.5 million usually quoted erroneously in my case." He said a total of \$750,000 in state funds, often added into the embezzlement figure in newspaper reports, had been under trusteeship at the First National Bank in Chicago and had "never left the bank."

CVCLIST TREATED

A collision at Nameoki Road and St. Clair Avenue at 1:30 p.m. Friday involved an auto driven by Frank Steelman of Chickasha, Okla., and a motorcycle operated by Michael Mulliken of Trenton, Ill. Mulliken was treated at St. Elizabeth Hospital for abrasions to the lower legs and was released.

Public Notice

NOTICE

The Board of Education, Community Unit School District No. 9, Granite City, Illinois, is requesting sealed bids on the following items of supply and equipment. Detailed specifications may be obtained at the Board of Education, Business Office at 20th and Adams Streets, Granite City, Illinois. Bids are due in the office of the Board of Education, 20th and Adams Street, Granite City, Illinois 62040, no later than 3:00 p.m. on dates as shown below. A public bid opening will be held at such time and place.

Hiring, school use approved

Mrs. Gail E. Cooper, 2223 Washington Ave., was hired as a Marshall School kindergarten teacher by the Granite City Board of Education last week. She has a bachelor degree from McKendree College.

A half-day kindergarten position at Niedringhaus School remains to be filled.

A leave of absence was granted Mrs. Theodos Randall, South High mathematics teacher, beginning Jan. 5.

The board created a four-hours-a-day custodial position at South High School, where four classrooms and the rebuilt auditorium are being placed in use.

Choral rehearsals

The Southern Illinois University Community Choral Society at Edwardsville will begin rehearsals for its 15th season Tuesday at 7:30 p.m. in Room 1402 of the Peck classroom building.

Director Leonard Van Camp of the SIUE music department said there will be no auditions and memberships are open to any adult who likes to sing.

Rehearsals will begin immediately for presentation Dec. 9 of Poulenc's Gloria, with soprano Sarah Turner, a

member of the SIUE music faculty, as soloist.

On March 12, 1974, the choral society will be singing Bernard Bernstein's Chichester Psalms.

The spring concert, to be given May 31 and June 1, will be Haydn's Creation. The singers will be joined in this presentation by the University Symphony Orchestra, Concert Chorus and University Chorus.

Dues for membership in the Community Choral Society are \$5 per person or \$7.50 for married couples.

72 attend Anchorage potluck

Seventy-two members of the Anchorage Seniors' Club attended a potluck luncheon last week at the Anchorage Recreation Center.

Suggest photos to fight crime

A Madison County grand jury in session since May 29 last week recommended more extensive use of color photography in recording and investigating crime.

In criticized the adequacy of some police investigations, apparently referring to Wood River allegations. The jury also urged development of a method for disposition of weapons confiscated by police, and called for construction of a new county jail.

ton, the low bid, Biltmac Press will supply purchase orders on the basis of its low bid of \$453. Industrial education supplies totaling \$9,929 will be furnished by 25 firms.

Guests were Mayor Paul Schuler of Granite City, David Morgan, Walter Greathouse and Everett Morin.

Mrs. Alysia Seibel, president, gave the welcoming remarks and prayers were offered by the Rev. Roy Meredith and the Rev. Leroy Filby.

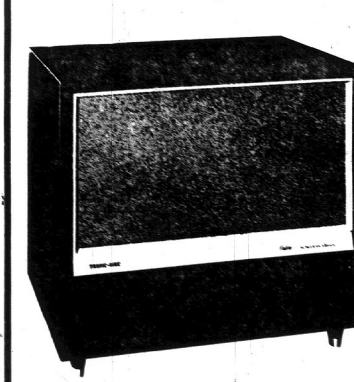

A floral centerpiece donated by Willis Florist Shop was awarded to Mrs. Christina Marcovsky. The afternoon was spent playing games.

Club members will next convene at 1 p.m. Oct. 3 for a business meeting and birthday party.

GRANTMASTER TIRE GUARANTEE

- Tread Life Guarantee Against Road Hazards:** We guarantee all Grantmaster tires against failure from all normal road hazards for the life of the tread with the exception of: ordinary nail punctures, fire, theft, front-end and side-impact collisions, under-inflation, over-inflation and running flat.
- Tread Life Guarantee Against Defects:** We guarantee the Grantmaster tires against all defects of material and workmanship for the life of the tread.

Basis of Adjustment: Should your Grantmaster tire require adjustment under Section 1 or 2 of the Guarantee, please return it to Grants. And we will replace it by giving you a Grantmaster allowance for the original tread, based on the current selling price, including Federal Excise Tax.

Guaranteed Against Tread Wear: The original tread is guaranteed not to wear out for the number of months designated. If tread wears out during this period, the tire should be returned to Grants and we will replace it, charging the current regular selling price plus Federal Excise Tax less the following percentage allowance toward the purchase of a new tire.

Tire Guarantee	Allowance
18-24 Months	10%
25-40 Months	25%

This guarantee covers tires in passenger car service only. Passenger car tires used in commercial service reduce the guarantee period to 25%.
